## Dedication

*Chief Jason Warlick, Karen Ann Hagar, Officer Sylvester*

### **Karen-Ann Hagar**

Damariscotta is an amazing place to live. We have a unique mix of people from all walks of life who volunteer their time to help our community. The importance of volunteerism took on a new meaning in 2020 with COVID-19. Suddenly, many people who had never needed public assistance found themselves in need. The pandemic forced our local businesses, organizations, non-profits, and individuals to think differently, collaborate and problem solve to help the community. Karen-Ann Hagar was a common force behind many of these initiatives. She hit the ground running last March and has worked tirelessly to help. For all her hard work in helping our community we dedicate this year's town report to Karen-Ann.

Karen-Ann was born the beloved only daughter and sister to Harry and Patty Hagar and four older brothers Mark, Randy, Darryl, and Christopher. The Hagars lived on West Neck Road in Nobleboro. The men of the family all doted on Karen-Ann. Her mother, Patty, was a well-known character in our community. Patty had an incredible sense of humor and could often be found at games cheering for Lincoln Academy while wearing outrageous costumes! Patty was also known to speak her mind, whatever it was. Karen-Ann has proven over the years to have her mother's humor, wit, and strength. Karen-Ann is very proud of her family and can be heard sharing the many talents of her daughters Mia and Sammi.

Karen-Ann's childhood shattered when she lost her father to suicide when she was twelve. Since then, Karen-Ann has tragically lost three other members of her family to suicide. Karen-Ann remembers the community rallying around her during turbulent times in her life and now Karen-Ann has made it her life mission to help our greater Damariscotta community. In her new role as CLC YMCA Director of Outreach & Community Navigation, Karen-Ann has found her groove in helping others and educating people on food security, substance misuse, suicide, and the importance of mental health awareness. Karen-Ann's work is completed through forging relationships within our community. Karen-Ann works closely with local law enforcement.

*Karen Ann & Billy*

Damariscotta Police Chief Jason Warlick reflects, “I have been very fortunate to work alongside Karen-Ann for almost 8 years. She has helped inspire me to be a better police chief, leader, and person. She has taught me about self-worth and the benefit of compassion and patience. I have seen her plow through personal losses, community losses and tragedy yet all along, still answer her phone day or night and assist someone else in their time of need. She does not ask for recognition, or even a thank you, just the satisfaction of knowing someone has shelter, sobriety, and a full belly is all she needs. She has been the single largest resource I have had within our community. As far as I am concerned, Karen-Ann is a hero.”

Karen-Ann has a huge space in her heart for all children. Through her work at the Y, Karen-Ann has touched many youth’s lives. Karen-Ann finds ways to make opportunities for every youth to reach their potential. If a child needs food, she feeds them. If a child needs a leadership opportunity, she creates a project for them to test their skills. “Karen-Ann lives and breathes the Y mission of the Y, which is all about community service.” Casey Clark Kelley, CLC YMCA CEO shared. “Tragedy and hardships don’t discriminate but finding a way out can be a struggle. Every day Karen-Ann helps to fight the stigma of asking for help in our community. I know from personal experience that when you come to Karen-Ann with a problem, it’s like seeing the light at the end of the tunnel and suddenly you know that things will get better.”

Each May in celebration of her birthday, Karen-Ann asks the community to come Fill the Y Bus. The Y bus is parked outside of local grocery stores and customers can come drop off food and monetary donations. Since COVID-19, this concept became a weekly event, every Tuesday, at Main Street Grocery. This event has supported numerous local food pantries, food initiatives and fed hundreds of people through these efforts.

Earlier this year Karen-Ann Hagar was named a Paul Harris Fellow through Rotary International. The Rotary motto, “service above self,” truly embodies Karen-Ann’s spirit of living intentionally to help others.

Karen-Ann’s zest for life and adventure carries over into her personal life. Karen-Ann can be seen driving around giving a big “Jeep wave” to her fellow Jeep owners. On the weekend she loves escaping with her partner, Billy, to Maine’s north woods. We are truly blessed to have Karen-Ann in our community. If you do not already know Karen-Ann, stop by the Y Fill the Bus some Tuesday, you won’t regret it.

# Board of Selectmen Annual Report

Greetings to the Citizens of Damariscotta,

On behalf of the Board of Selectmen, it is my privilege to inform you of the progress that the Board, Town staff, and the various committees and numerous volunteers have made during this past year. I thank my fellow Board members for their continued dedication to the many activities they participated in during this past year.

Town Manager Matt Lutkus continues his tireless efforts across a wide range of activities involved in making improvements to the Town in a cost-efficient manner, and his continued success in seeking out new funding opportunities to enhance the Town's infrastructure. Many of the projects currently in the works today were brought about by his ingenuity in seeking out potential partners and grantees, as well as his persistence and follow-through.

When COVID-19 hit Maine in 2020, the Governor declared a state of emergency that continued into 2021. Thanks to the professionalism and dedication of the Town staff, measures were implemented to continue to provide services to our residents through a variety of means. The Board appreciates the hard work of all Town staff and their nimbleness when changes to the way business was conducted were implemented due to changes in the Governor's state of emergency declarations. Their professionalism and dedication was evident throughout the year.

The Board also thanks the many residents who volunteer their time and talents on various boards and committees throughout the year. The Land Use Committee continued its work to improve Town ordinances, with several new ordinances being drafted for Town vote; the Public Safety and Accessibility Collaborative continues to be active, developing maps for walking/biking trails, among their other initiatives it has undertaken. The commitment and dedication of the volunteers of these and all other committees of the town are greatly appreciated.

In 2020, many projects that had been on the drawing board have finally come to fruition. The design of improvements to the Municipal Parking Lot and construction of the public restrooms have gotten underway and will be completed this year. The installation of a solar array on the Town's landfill site has been completed and the Town's streetlights have been upgraded to more efficient LED lights, both of which will greatly enhance the Town's energy efficiency and save money in the long term. The Bristol Road sidewalk, upcoming improvements to the Miles Street, and more are evidence of the Town's continued success at providing quality service to our residents, as well as those who work, shop, and visit Damariscotta.

The Board of Selectmen thanks the residents of Damariscotta for your engagement in Town governance this year through participation on boards and committees, and your thoughtful input and insights at the many workshops and hearings held throughout the year. It is only through your continued interest in keeping the Town informed of your concerns and your active participation that we are able to maintain the Town's values that we all hold dear.

On a personal note, I finish my ninth and final year on the Board of Selectmen. It has been my distinct honor and privilege to serve you, the residents of Damariscotta. I appreciate the advice and assistance of the Town Manager, staff, Board and Committee members, and you, the public we serve, in making my time on the Board one of the highlights of my career.

<b>FY 20 Attendance Report:</b> <i>(as required by Town Charter)</i>	
Robin Mayer:	22 of 24 Meetings
Mark Hagar:	22 of 24 Meetings
Amy Leshure:	6 of 8 Meetings (resigned 10/2019)
Louis Abbotoni:	24 of 24 Meetings
Joshua Pinkham:	24 of 24 Meetings
Darryl Fraser:	7 of 9 Meetings (elected 03/2020)

Respectfully submitted,  
**ROBIN MAYER**  
Chairman

# Town Clerk's Office

In July 2019, the Board of Selectmen appointed Rebecca Bartolotta as Town Clerk for the Town of Damariscotta. The COVID-19 pandemic changed how we do many things in the Town Office. At the time this Annual Report is published, you do need to call the office at 563-5168 to schedule an appointment for all municipal business. We appreciate everyone's patience as we navigate these necessary changes. It's our goal to be able to conduct in-person business for our residents for as long as we can and appointments help us control the foot traffic and make that possible.

The Town Clerk's office is responsible for the recording and preservation of vital records such as births, marriages, and deaths. Issuing certified copies of these records along with making corrections, additions, and deletions are all completed by the Town Clerk's Office in accordance with the State of Maine Office of Vital Records. All new Vital Records are accessed through the State of Maine Electronic Death Registration System (EDRS), Electronic Birth Registration System (EBRS) and Electronic Marriage Registration System (EMRS). These systems store all vital records electronically and have eliminated much of the need to store paper copies of such records in our town vault.

The Clerk's office is also responsible for issuing dog, hunting and/or fishing, liquor, marriage, vending, and entertainment licenses. The responsibility of supervising all State and Municipal elections falls under the Clerk's office as well. Elections are held in the Municipal Building at 21 School Street, with polling hours from 8:00 a.m. until 8:00 p.m. These elections, annual, and/or special town meetings could not happen without the generous help of our dedicated Damariscotta residents. I continue to call on the community members as election workers and they continue to assist us in maintaining the election process. I truly appreciate all of your continuing support! If you are interested in learning how you can help with the elections, please contact me at the Town Office 563-5168 or [rbartolotta@damariscottame.com](mailto:rbartolotta@damariscottame.com).

This past fiscal year (July 1, 2019 to June 30, 2020) the Town held the following elections\* with the following voter turnout:

<u>Date</u>	<u>Type of Election</u>	<u>Ballots Cast/Voter Turnout</u>
11/05/2019	Statewide Referendum Election	374
03/03/2020	State Presidential Primary & Special Referendum Election	870

\*The Annual Town Meeting & Election typically held in June was postponed to July 14, 2020 due to COVID-19 capacity restrictions. Those numbers will actually be reported in the next Annual Report.

**Marriage Licenses:** You need to fill out a marriage intention form in front of a Town Clerk or a Notary Public. However, BOTH applicants must sign the official license in the presence of the Town Clerk, before the license will be issued. If you are a Maine resident, you must file intentions in the municipality where at least one of you resides. Non-Maine residents may file intentions in any municipality.

**Voter Registration:** New residents may register to vote at any time during the year, even on Election Day! Proof of identity and residency is required at the time of registration. Damariscotta has a total of 2,037 registered voters, 878 - Democrats, 491 - Republicans, 87 - Green Independent, 581 - Unenrolled (formerly considered 'Independent').

**Vehicle Registrations:** Excise tax is required to be paid on all vehicles and most boats in the municipality you reside. These funds stay within your municipality. In order to re-register a vehicle, please bring proof of current insurance, your old registration and current mileage. To register a new

vehicle purchased from a dealership you will need to bring the blue copy of the title application, proof of insurance, current mileage and proof that sales tax has been paid. (A brand-new car will also require the window sticker from the dealership). For a person-to-person purchase, you are required to bring a bill of sale with the year, make, model, vehicle identification number, and dollar amount paid. If the car is a 1995 or newer you must have the title from the previous owner, with the back filled out and signed. \*The State of Maine does not send reminder notices for renewing your registration.

**Boat Registration/ATV/Snowmobile Registration:** Damariscotta processes new and renewal boat, ATV and snowmobile registrations. For “new-to-you” registrations, please bring in a bill of sale listing the serial number, year, make, model and purchase price. For boat registrations, ME registration numbers are helpful if the boat was previously registered in Maine. Sales tax will be collected at time of registration unless purchased through a dealership. If purchased from a dealership, please bring proof of paid sales tax and bill of sale from the dealer. All boat registrations expire on December 31st and all snowmobile and ATV registrations expire on June 30th.

*The Town of Damariscotta offers online registration renewals for Vehicle, Boat, ATV, and Snowmobile Registrations. Got to our website, [www.damariscottame.com](http://www.damariscottame.com) and click on the online services button.*

**Dog Licenses:** All dogs six months and older must have a license. Please bring proof of current rabies vaccination at time of registration. If the dog is newly spayed or neutered, we will need to see the spay or neutering certificate from the Veterinarian. Dog licenses expire every year on December 31st, and a late fee of \$25.00 is imposed as of February 1st. This is the State of Maine law not something the Town is able to waive.

**Hunting & Fishing Licenses:** Maine residents: must be a resident for at least 3 months to obtain a resident license. New residents must provide proof of residency for both license purchases. For hunting licenses, Maine residents must provide proof of prior license or proof of completion of hunters’ safety course. Any nonresident is eligible to purchase a nonresident hunting license once proof of prior license, hunter safety course completion is provided.

**Liquor & Entertainment Licenses:** The Damariscotta Board of Selectmen require a public hearing on all new applications for liquor & entertainment licenses. Applicants are required to pay an advertising fee and attend the public hearing. Renewal applications can be brought into the town office to be signed by the Town Clerk or the Town Manager, after a review of activity at the location by the Police Chief.

**Licenses issued 7/1/19 ~ 6/30/20**

<b>ATV:</b>	<b>4</b>
<b>Boats:</b>	<b>114</b>
<b>Dog Licenses:</b>	<b>143</b>
<b>Hunting &amp; Fishing Licenses:</b>	<b>21</b>
<b>Liquor Licenses:</b>	<b>15</b>
<b>Snowmobiles:</b>	<b>2</b>
<b>Vendor License:</b>	<b>0</b>
<b>Entertainment Licenses:</b>	<b>5</b>

Respectfully Submitted,  
REBECCA BARTOLOTTA  
Town Clerk

# Vital Statistics

## BIRTHS

This year Damariscotta residents welcomed 9 babies to our town! The laws for vital statistics do not permit us to print the names of these new bundles.

Town Clerk

## Assessors' Agent

This was an active year in the Assessing office. In the fall of 2019 the real estate market continued to see moderate growth and sales. The onset of the Covid Pandemic in the spring slowed the sales initially, but as summer hit, the real estate market in Damariscotta was heating up and continued into the fall.

The 2019/2020 fiscal year Taxable base value was \$332,125,200, with committed tax mill rate at 16.1.

Please feel free to contact the Assessing office if you have any questions or concerns about your property or accounts. The goal of this office is to provide an accurate property listing for each account, to fairly and equitably share the tax burden of the Town.

Respectfully submitted,  
MATTHEW MURPHY, CMA  
Assessors Agent

### PROPERTY TAX RELIEF

The following exemptions are made available to taxpayers at a local level. Applications are available at the assessor's office or online and are *due on or before April 1st*.

- HOMESTEAD EXEMPTION - To qualify, homeowners must be able to declare the property as their principal residence for at least the 12 months preceding the date of the application. Once the application is filed, the exemption remains until the owner sells or changes their place of residence.
- VETERAN EXEMPTION - Any veteran or the widow of, who served active duty during a federally recognized war period and, if discharged or retired under honorable conditions. The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.
- BLIND EXEMPTION - Applicant must provide written proof from a medical doctor or eye care professional that they are legally blind.
- BETE - Certain businesses may qualify for an exemption on personal property tax for equipment first subject to tax on April 1, 2008. This is an annual application.
- BETR - Certain businesses may qualify for reimbursement on personal property tax paid during the previous year. Taxpayers begin the application process by filing the form "801" with our office.

More information can be viewed on line at [www.maine.gov/revenue/propertytax/propertytaxbenefits/](http://www.maine.gov/revenue/propertytax/propertytaxbenefits/)

# Cemetery Trustees

Covering the Period of February 2020 through January 2021

Perhaps the most noticeable change this year was the replacement of the rotting wooden picket fence at Bethlehem with vinyl. Hugh Priebe and his DPW crew did yeoman's work in removing the old fence and preparing for the new one. They also cleaned and painted the interior of the Hillside Receiving Tomb, enabling its use for easily accessible tool storage. They came to the rescue when a large rock was discovered to be in the way of a monument foundation in Hillside, removed a tree stump in Bethlehem to make way for a full burial, and cleaned up the unsightly dirt pile (13 dump truck loads!) in the northeast corner of Hillside.

After many years of faithful service, Pat McLean retired at the end of her term as Trustee. Martha Dodge agreed to fill the position and has already contributed greatly to our efforts.

The sale of 7 lots added \$3,500 to the Perpetual Care Fund, and a \$100 donation was gratefully received from Gary & Donna Wright.

Volunteers performed stone repairs in Bethlehem and Hillside that would have cost the town \$1,250 if done professionally. Additional repairs were made by volunteers in Benjamin Chapman (2 stones), Alden Chapman (3 stones), Heavner-Day (3 stones), Chapman-McAllister, and Sidelinger, saving \$2,500. J&H once again donated broken paver pieces to be used as fill for lifting and leveling stones.

Myriad pieces of a fallen and shattered stone at House-Day were brought indoors to attempt reassembly in late fall. Matt Lutkus built a wooden carrier to facilitate transporting the stone. An additional base was discovered below grade next to the shattered stone, and research revealed that an adjacent stone documented in the 1960s has disappeared; further searching is planned for spring.

We once again hired a part-time laborer for the summer to assist with stone repairs that did not require specialized equipment, and brought in a professional service for stones that exceeded our capacity.

Concerned about the support rods of old temporary markers failing, we affixed to granite pavers any metal plaques predating 2000 and then set those as small tablet stones. In two instances missing letters were kindly provided by Hall Funeral Home who still maintains a supply of the old-style letters. The Stevens family paid for the 7 pavers needed to mount the cast-bronze markers previously found underground on their lot.

Permits were issued for 11 burials and 10 monument installations. The Trustees codified the requirements for adding burials to family lots after the death of the original owner(s).

Four dying trees were professionally removed at the property line in the southwest corner of Norris Yard in Hillside, and DPW felled dead trees along the perimeter of Bethlehem.

The database has enabled us to produce topic-specific lists on request for a Coastal Senior College class, a family genealogist, and an archaeologist, in addition to the annually updated flag lists used by the Legion to set Memorial Day flags. Data additions and edits continue to be made.

Other research revealed the existence of the previously unknown burial of a Civil War veteran in Heavner-Day. A team of metal-detecting hobbyists has agreed to help us look for a possible temporary marker and/or flag holder in the spring. Corrections were submitted to Find A Grave and Billion Graves for an incorrect cemetery name and a non-existent cemetery.

A Veterans Administration headstone was set in May 2020 for Lt. Kimball E. Hatch whose grave had previously been unmarked. He was a veteran of the Revenue Cutter Service (precursor to the Coast Guard) in the Spanish-American War and of the Navy in WWI.

Bob Harris repaired a broken guy-guide on a utility pole near the north end of Hillside Lane. Dick McLean continued to restore flag holders as needed. Matt Lutkus rethreaded several metal flag-holder medallions and secured them to their posts.

Due to the pandemic, Damariscotta Historical Society was unable to hold its annual silent auction to raise funds for the care of the Ancient Burial Grounds. Some tree work was done with money on hand, and the Lions Club donated additional funds.

Our indefatigable volunteers worked hard throughout the year, continuing to improve the sites with each spring and fall cleanup. Multiple field-stone burials were discovered during fall cleanup at Sidelinger Cemetery; when the pandemic allows, the site will be remapped to include those.

We mourned the passing of long-time volunteer William Rice. Retired from active cemetery service a few years ago (at age 92!), he had mown the Alden-Chapman Cemetery for more years than anyone could recall.

We are in need of volunteers to assist with the maintenance of Benjamin Chapman (1/4 acre), and two smaller sites near each other, Chapman-Rollins and Jacob Chapman, all on Back Meadow Road. Please contact us if you can help.

Our cohorts in the Town Office continued to provide superb support, enabling us to fulfill our charge, cheerfully responding to every request.

# Central Lincoln County Ambulance Service Inc.

Residents of Damariscotta,

The Central Lincoln County Ambulance Service responded to 1,492 emergency calls in 2020 amid the COVID-19 pandemic. I am incredibly proud of the dedicated EMS providers at CLC Ambulances and the Damariscotta Fire Department. They have all done their very best to navigate the ever-changing treatment and safety guidelines for the pandemic as it evolved throughout the year.

In July of 2020, we took delivery of two new RAM chassis ambulances manufactured by AEV. The ambulances were 100% funded through donations from local citizens and businesses. These new ambulances have provided us with units with a more modern design that increases patient safety and a more efficient layout for the EMS personnel working in them. The new ambulances are also the first units equipped with four-wheel drive, ensuring that we can get to the scene of an emergency even in the winter regardless of the weather conditions.

Through a successful grant process, we were able to fund one new cardiac monitor and one new power stretcher in November of 2020. These new pieces of medical equipment have allowed us to fully equip all four ambulances in our fleet with up-to-date equipment. This new equipment will allow for continuity of equipment across the fleet and allow our EMS caregivers to continue to provide the best medical care to our community.

We have continued to provide Community Paramedicine visits to members of our community for our sixth straight year. This program provides services to patients in their homes that include: at-home blood draws, medical assessments, wound care, medication reconciliation, education, and some point-of-care lab tests. The program is run by referral from your primary care physician or a physician you may see in the Miles ER. The program has demonstrated a positive impact on the patient's ability to manage medical conditions at home. If you or someone you know may benefit from these services, please contact your primary care doctor for more information.

I want to thank Fire Chief John Roberts and all the members of the Damariscotta Fire Department for being an essential partner in our effort to supply quality Emergency Medical Service to the Town of Damariscotta. We look forward to working alongside members of the Damariscotta Fire Department to provide emergency care to the residents of Damariscotta again in 2021.

Respectfully,  
NICHOLAS BRYANT  
Service Chief

# Police Department

To the citizens and businesses of Damariscotta,

I would like to start by saying thank you to each and every one of you for the continued support of your police department. My staff and I are honored to be part of this community and look forward to providing you all many more years of police services.

What can I say about 2020; it was certainly interesting to say the least? The police department went through many challenges to adapt to the ever-changing issues the pandemic presented. We made important changes to protect staff and citizens, but still allow consistent police work. We managed to retain and recruit a full staff of certified Police Officers with a genuine compassion for our community. Our proactive citizen interactions increased over last year's numbers and this was all organically done by the officers and community members. This is a very important reason why our organization has continued to lower crime and recidivism within our town lines.

I would like to bring attention to some of the things the department did that was outside their traditional day to day operations. We worked with the local water and sewer company and asked them to communicate when someone had requested their summer home or camp have their water and sewer turned on. We used this information and made contact with the home's owner to discuss our state's restrictions and COVID-19 safety rules. My staff and I made great relationships and would offer to help the visitor get their groceries, medications and supplies needed to live under the quarantine orders. Our staff made periodic visits to those more vulnerable in the community and also helped with getting them items during the lockdown. The police department assisted with the Lincoln County Food Initiative by delivering food to those within our community and this allowed us to further grow our relationship with those that may not come to us with an issue. The department assisted with the YMCA's "Fill The Bus" event weekly to help collect food items for donation throughout our community. The department was still very active within the substance use community including attending weekly meetings, assisting with job placement, helping reunite children and parents, and continuing to lower the stigma around addiction. These are only a few of the major highlights from 2020.

The town's crime rate continues to drop. I would like to think this is due to the strong relationship between the citizens and officers, continued growth in our "community policing" model of enforcement, as well as the retention of qualified and professional officers. I truly believe real, quality policing starts at the community level and when good relationships are fostered and grown, crime can be reduced and managed effectively.

As I'm sure, everyone is aware there have been several incidents that occurred all over our country that included police shootings, racial divide, hate and political chaos. I want our citizens to know that although our town has not had an issue within its department, that does not mean that we do not understand the need for policy review and revisions, trainings on implicit bias, cultural diversity, religious beliefs, mental health de-escalation techniques, as well as many others. We are aware of these issues at both a state and national level and we continue to train, revise, and work even harder to understand everyone's needs and beliefs. We are committed to enforcing the laws of the state of Maine regardless of race, religion, politics or beliefs. We will continue to work hard to keep your trust and run a transparent police agency.

My staff and I look forward to seeing you all out in the town and having a chat or a cup of coffee. My door is always open and I would love to meet and discuss any issues that may arise. Be safe and have a great upcoming year.

Respectfully Submitted,  
JASON WARLICK, Chief  
& DPD Staff

**There were 8,283 calls for service in the Town of Damariscotta in the 2019 - 2020 fiscal year. That is an average of approximately 23 calls a day. The breakdown is as follows**

9-1-1 Checks	126	Abandoned MV	1
Animal Complaint	75	Administrative	3
Alarm, Hold Up	4	Alarm, Burglar	114
Assault	6	Assist, Citizen	292
Assist, Other Agency	150	Attempt to Locate	13

# Massasoit Engine Company

The Massasoit Engine Company continues to proudly protect the Town of Damariscotta with fire and rescue services, and offers this report for 2020. The Massasoit Engine Company, like many community service organizations, relies on local volunteers to serve and protect local residents. In so many ways, 2020 presented many challenges, and firefighting was not immune.

The Massasoit Engine Company is fortunate to have 15 active regular members and 1 active junior member. Our roster of active members for 2019 was Fred Brewer, James Corscaden, Chad Cowan, James Genthner, James Hall, Christopher Hilton, Julian Hupp, Jonathan Knof, Kobe Lincoln, Steve O'Bryan, Daniel Pinkham, Jacob Pinkham, Jon Pinkham, Jon Pinkham, Jr., Josh Pinkham, and John Roberts. We were proud to promote one of our junior members half way through the year, with Jacob Pinkham joining the ranks of regular membership.

No new members were brought on to the company in 2020. We are in need of new members to help assist with all emergency and non-emergency calls for service. Please contact the Chief if you are interested in finding out more about firefighting and how to make a difference in the community you love and live in.

This has been another busy year, with our members responding to 148 calls, an increase of 30 calls compared to 2019. We responded to 24 fires within structures most of which were mutual aid. There were 6 fires which were brush/woods fires, 22 car accidents, with 3 requiring extrication. In addition, there were 8 rescue calls, 10 hazardous materials calls, 32 calls for service, 29 alarm investigations and 15 other calls.

I would like to thank our firefighters and their loved ones for their dedication to the Town this year. If you see a firefighter or one of their family members in public, please thank them for their commitment and work to keep the Town safe. This duty takes considerable time away from family and loved ones, and the families make equal contributions towards this effort. I am honored to lead such a great group of firefighters. I am especially thankful for the support of my wife, Kristen and sons Matthew and Thomas.

For last year's report, we hinted at a restoration project that the Engine Company was working on. Protecting the property in this community is important, and we are proud of our long history of performing the firefighting duties. At the end of the year, we received our hose reel back from refurbishment. This 1898 Rumsey hose reel was restored by Andy Swift of Firefly Restoration Company in Hope. It will be kept in the museum at the station with the 1850 hand-tub which was also restored by Mr. Swift. This restoration was done to line up with Maine's bicentennial, while the hand-tub was restored for the sesquicentennial celebration for the Town of Damariscotta in 1998. The hose reel was named for the 2nd Foreman of the Engine Company, Charles F. Norris. Restoring the hose reel helps preserve a rich piece of history that dates back to Dec. 6, 1898 when it was voted to be purchased for \$40. The badge at the top of the hand-tub and bell went missing during the period of time was in Wiscasset, but now the entire piece is restored to the condition documented in a photo from April of 1899. We hope to have a public ceremony in 2021 to proudly display all of the historic artifacts at the station as well as the new equipment which continues to protect the proud people of Damariscotta.

*CF Norris Hose Reel 1, refurbished and received just after Christmas in 2020, shown in the bays of the station. It is named for the second foreman of the Massasoit Engine Company.*

It is an honor to work with the firefighters of the Massasoit Engine Company protecting Damariscotta. We stand ready to answer your call.

Sincerely,  
JOHN C. ROBERTS  
Foreman of  
Massasoit Engine Company  
Fire Chief, Damariscotta

## Road Commissioner

Asphalt improvements were made on parts of Chapman, Vine and Church Streets this year. A company named Wellman Paving got the bid and did the work.

As for River Park and the downtown area, we were able to replace more of the old broken benches with new granite benches. We cleaned up around the Information Booth and replaced the picnic tables there. We also added a trash barrel to help out with trash in that area. The Lions Club donated a granite bench to be placed by the docks. River Park has had a few dead trees over the last year and we are looking for donations to help replace them. As always, we thank the river park committee that keeps the park so clean for all of us. With spring and the COVID-19 virus we were slowed for a few weeks. Downtown was not set up as we normally do. Still we adapted to these changes.

With the old culverts we had planned to replace around town one was added so we could make a driveway for the new solar field that went in at the old dump location on Standpipe Road.

We cleaned up all the old power telephone poles in town that were no longer used. Hopefully some day we can make a pole shed to hold the cold mix asphalt used for pot holes and a place to store and keep dry gravel as well.

We did ditching on Belvedere Road to get ready for the road to have a new asphalt surface put down in the next few years.

This year's new 911 street signs were put up and we are really close to finishing changing them all out. One more year and we should have it done.

We were out on Egypt Road brush hogging and cutting trees. We are always looking for those townspeople who are in need of fire wood. We still have some large maple at the town garage to give away. Give us a call and we shall put you on the list of those who want fire wood.

With the heavy rain storms we have had this year, Miles Street is really falling apart with the sea wall falling over and sink holes showing up. The town is looking at rebuilding the road.

We had new traffic lights installed by the Maine DOT. With the new yellow outside border, you cannot miss them.

Eddie Parlin retired and left us this year. Thank you for the fine work you did for us over the last few years.

HUGH W. PRIEBE  
Road Commissioner

*Bristol sidewalk construction*

# Great Salt Bay Sanitary District

Great Salt Bay Sanitary District (GSBSD) is a publicly owned, quasi-municipal utility organized to provide safe drinking water in Damariscotta and Newcastle, and to provide wastewater treatment services in the Towns of Damariscotta, Newcastle, and Nobleboro. The District currently has 1,428 water customers and 713 wastewater users. Scott Abbotoni is the Water Division Manager and LeeAnna Libby is the Wastewater Division Manager.

Our mission is to provide safe drinking water, adequate fire protection and effective wastewater treatment. The District is committed to public health, customer service and environmental protection.

The Drinking Water Division's water supply is "Little Pond" a pristine 77-acre spring fed pond with an ultraviolet light water treatment system as a primary disinfectant and Sodium Hypochlorite as a secondary disinfectant.

The Welton Tank on Standpipe Road in Damariscotta and the Academy Hill Tank in Newcastle feed the Twin Villages water for fire suppression and quality drinking water.

In 2017 the Water Division replaced 1,600 feet of 120-year-old cast iron pipe with new 8-inch H.D.P.E. pipe from Main Street to Lewis Point Road. This will help with water quality and increased fire flows throughout the water system.

The Wastewater Division's treatment facility for Damariscotta and Newcastle consist of three aerated lagoons with a capacity of eight million gallons.

In 2012 the lagoons were cleaned; aeration system was upgraded and the lagoon liners were inspected.

In 2016 an upgrade to the Plant's office, electrical and blower system was finished. In 2018 an equipment storage garage was erected at the Main plant.

The Damariscotta Mills area of Newcastle and Nobleboro has a small sand filter fed by septic tanks which are maintained by the District.

The Great Salt Bay Sanitary District's operations are carried out by five full-time employees and are overseen by an elected six-member Board of Trustees. Representing Damariscotta are William Brewer, John Gallagher, and Lewis Cameron. Newcastle Trustees are Alan Ray and Clayton Huntley and representing Nobleboro is Robert Whear. The Trustees meet the second Wednesday of each month at 5 p.m. at the District office located at 121 Piper Mill Road in Damariscotta. The public is encouraged to attend.

Office hours are; Monday - Friday 7:00am - 3:00pm, for more information, please contact our Water Division at 563-3010 or our Wastewater Division at 563-5105.

Respectfully submitted,  
SCOTT L. ABBOTONI  
Wastewater Division Manager  
LEEANNA LIBBY  
Water Division Manager

## **Nobleboro/Jefferson Transfer Facility**

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2020 our household waste, construction, demolition, and bulky waste all went to Waste Management in Norridgewock, Me. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazard waste (televisions, computer, fluorescent light bulbs, mercury switches and rechargeable batteries.)

2020 has seen come changes in our staff. In June, Barry Howell semi-retired and we hired Ernest “Allen” Oliver to take over as manager. It was a smooth transition. This comes with the help from Brandon Achorn-assistant manager and Glenn Daiute-transfer station attendant, and of course Barry Howell. They have done a great job keeping the facility running during the COVID-19 pandemic. We have been able to keep it opened with no interruptions. Allen has done a great job taking over for Barry as he has kept the same standards of safety and appearance. We hope your trip to the Transfer Station continues to be a positive experience.

I would like to thank everyone who takes the time to recycle. This effort really helps us save money in the long run. We do have programs for recycling paint, food waste, metals, electronics, paper and cardboard. In 2020 we had a hazardous waste day for people to get rid of their hazardous chemical and other hazardous materials. We hope to do the same again this year. We will be advertising for this, so be watching for it.

The outlook for 2021 is we hope to continue our efforts to recycle whenever we can. The attendants are more than willing to help you recycle. Everything you recycle helps reduce the amount it costs to put items in the mainstream trash.

For 2021 our budget went up close to 8% to the towns. In the past, we had been using some built-up surplus to keep costs down. This year we didn't have as much surplus, so we had to raise the cost to all the towns. Hopefully in 2022 we can hold the line and not go up again.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,  
RICHARD SPEAR  
Transfer Station Agent

# Skidompha Library

## Annual Report – 2019/2020

The events of the past year have brought seismic changes to our community and to the Skidompha Library. In response, the Library has effectively pivoted in response to the pandemic and modified its service model to continue to provide needed services and resources to the community. Principally we have strived to continue library services where safe and reasonable, and create a robust and varied selection of online and virtual programming. Damariscotta's contribution remains critical to maintaining the level of services we provide.

It has been Skidompha's philosophy during the pandemic to proceed with a cautious response; to be proactive and alter our practices to help prevent widespread community spread rather than be reactive to such a situation. We believe this philosophy best supports schools remaining open and reduces the viral risk and caseload in our community.

Over 2019 and 2020, we provided library resources to our community via our traditional service model. When the pandemic arrived, we then successfully pivoted to curbside delivery. We circulated over 51,000 items and fulfilled more than 3,400 interlibrary loans. We delivered books to congregate care facilities and to house-bound individuals. We stayed connected to children and young adults by offering free programming, virtual story time, and free take-and-make craft kits. We offered reader services to our patrons and access to our downloadable ebook collections. We provided a diverse mix of adult online programming opportunities to enrich, educate, entertain, and heal during this difficult time. And of course we continued to offer the critical clerical services of WiFi, printing, faxing, scanning, and copying to our patrons as well.

During the pandemic, I have found Skidompha to be an even more critical resource for our community. Patrons describe in detail the importance of access to books and other media. Many share how the weekly personal contact involved in visiting the Library is central to their happiness. Others have told us that having access to free online groups to discuss books, poetry, and meditation have helped them to stay connected to their neighbors when they would have otherwise been isolated. This has been a difficult time for all but I am intensely proud of our library staff and how they have stepped up and responded to these difficult circumstances and to the needs of our community.

Among our many achievements in 2019/2020 the Library has:

- Adapted its service plan to provide safe library service during the pandemic.
- Continued to provide exceptional adult programming opportunities despite the hardships presented by the pandemic. In 2020 we have adapted and shifted from our traditional in-person programming to offer online virtual programs such as:
  - o Twice-weekly mindfulness meditation instruction
  - o Weekly poetry club
  - o a monthly book club for adults
  - o A digital photography summer workshop
  - o Stand-alone creative writing workshops
  - o A career skill building workshop
- Continued to offer genealogical consultations, access to The Lincoln County News Digital Archive, and free access to ancestry.com.
- Continued to provide the Hoopla digital resource circulation service, offering online digital books and music to our patrons. March through June of 2020 saw a 62% increase in overall Hoopla circulation as compared to the prior four months, and an almost 200% increase in Hoopla ebook circulation.

Skidompha's Children's and Young Adult Librarians continue to play a vital role in providing services to our community's youth.

- o Our Children's Librarian transformed her usual in-person story time to a virtual environment and read 100s of picture books to children over FY 2019 and 2020.
- o She also worked with local school librarians and teachers to get library cards to students for access to our entire print and digital collection.
- o Our Young Adult Librarian aggressively pursued continuing education opportunities, and received certification in bibliotherapy and recovery coaching basics.
- o She also offered access on the Young Adult Facebook Group to information on trusted resources for distance learning, mental health resources, local opportunities for youth, crafts, and a monthly list of new YA books added to our collection.

Like many other institutions, Skidompha has been profoundly affected by the pandemic. Undaunted, we have adapted our response to this new reality, made significant changes so that we might continue to serve our community during this difficult time, and support literacy, promote education, and keep our services accessible to our Lincoln County community. We could not achieve all of these things without your support. We are grateful as we maintain these essential and unique community programs and offerings.

With thanks,  
MATTHEW GRAFF  
Executive Director

## Lincoln County Television (LCTV)

As Lincoln County Community Television (LCTV) begins its 32nd year as the local community television station, THANK YOU to the residents of the Lincoln County communities who have financially supported our station throughout these years.

Originally the station was managed and funded by the municipalities of Damariscotta, Newcastle, Nobleboro, Waldoboro, and Wiscasset. In addition, community media service is provided to Alna, Bristol, Dresden, Edgecomb and Westport Island. In recent years we have received money from Bristol, Edgecomb, and Alna and many local businesses. We appreciate and thank the towns for their continued support!

Beginning as a totally volunteer organization, there is a need to keep up with changing technology. In 2004, the first part-time manager (5 hours week) was hired. Increasing services to our Towns requires additional advanced equipment and paid personnel. Today LCTV has a full time station manager, full time videographer, and two part time technicians, as well as a three quarters time social media director to keep up with the ever growing demand for information to our community.

We fulfilled one of our long-time goals in 2019 with an emergency back-up generator which will protect our equipment and ensure that we will be providing 24-hour broadcasting. We have done extensive upgrades to equipment but we look to improve even more in 2021.

We look toward 2021 as a banner year for Lincoln County Television (LCTV)! We see a bright future. A change in leadership, an engaged Board of Directors, and some exciting new programming show great promise; these will add to our existing community bulletin board, local government meetings, high school basketball games, and the yearly coverage of the Pumpkinfest Parade and Regatta. Locally produced shows are: weekly COVID-19 updates from Miles Health, Wuzzup, Spotlight on Seniors, Community Conversations, historical programming highlighting the State of Maine's bicentennial, and many more community oriented shows.

LCTV is committed to forging new, stronger relationships with the Towns who support us. We have opened the lines of communication with Town leaders and welcome input and suggestions. In addition, to the ongoing support of the Towns, there are plans for some fundraising event in the future depending on COVID restrictions.

Our primary goal for 2021 is to identify how we can better serve you, the community. We are committed to showcasing our vibrant communities and their amazing history.

Currently, Town Government and other locally produced programs are also available streaming and as video on demand at [www.lctv.org](http://www.lctv.org) and broadcasting on Channel 1301 for Spectrum customers and Channel 7 for Tidewater customers. Community members may contact LCTV's station via [lctv1@lctv.org](mailto:lctv1@lctv.org) by writing to LCTV, 29 Sheepscot Road, Newcastle, ME 04553 or by phone 563-6338. The schedule of events on Channel 1301 or 7 is found weekly on the television page of The Lincoln County News.

# Coastal Rivers Conservation Trust

Coastal Rivers Conservation Trust is your community land trust, caring for the lands and waters of the Damariscotta-Pemaquid region by **conserving special places, protecting water quality, creating trails and public access, and deepening connections to nature.**

**For the benefit of all Damariscotta residents, in 2020 we provided:**

- **Public access to trails, open space and shorefront** on Coastal Rivers' many nature preserves. We maintain over 48 miles of hiking trails for low impact use in the Damariscotta-Pemaquid region, including the accessible Rhoda and Leon Cohen River Trail at Round Top Farm. In Damariscotta, Salt Bay Farm, Round Top Farm, Doyle Preserve, and Huston Landing are open to the public for low impact recreation on the trails. Studies show that spending time in nature has a significant impact on health and wellness, and we've heard from many people during this pandemic year that the trails have meant a lot to them. We invite you to find trails to explore at [coastalrivers.org](http://coastalrivers.org).
- **Conservation and stewardship of 14 properties in Damariscotta.** Eight of these are voluntary landowner agreements, or conservation easements, on private land. In addition to opportunities for recreation, these conservation lands serve to keep wildlife habitat intact, protect water quality, and help mitigate the effects of a changing climate. In addition, Coastal Rivers co-manages Whaleback Midden State Historic Site, owned by the Maine Bureau of Parks and Lands, and assists with the town-owned Riverside Park by the town landing.
- **Estuary water quality monitoring**, at seven points along the Damariscotta River Estuary, including at the town landing and in the harbor. Twice a month from May through October, volunteers test for transparency, dissolved oxygen, salinity, temperature, and total nitrogen. These data help us understand changes in water quality and habitat conditions over time.
- **Fresh water quality monitoring**, in support of Lake Stewards of Maine. Volunteers check for changes in water quality in Pemaquid, Biscay, and Muddy Ponds that might lead to algal blooms or other conditions that could have an effect on wildlife habitat, recreational opportunities, or property values.
- **The Courtesy Boat Inspection (CBI) program** at the Pemaquid Pond boat landing, keeping aquatic invasive plants out of our lakes and ponds. Invasive plants can have a devastating impact on water quality, recreation, and property values. Friendly interns spent 88 hours this summer talking to Pemaquid Pond boaters about invasive plants and, with permission, looking over boats and trailers for any sign of invasive plants before they were launched.
- **The LakeSmart Program**, offering free, individualized technical advice and information to lake and pond-side homeowners about best property care and management practices to prevent erosion and safeguard water quality. In Damariscotta, we are currently working with one homeowner who wishes to become LakeSmart certified. To learn more or to participate, please contact Sarah Gladu at [sgladu@coastalrivers.org](mailto:sgladu@coastalrivers.org). You can also learn more about how your landscaping choices affect water quality with our recorded "Build a Better Buffer" workshop, available online at [coastalrivers.org/build-a-better-buffer](http://coastalrivers.org/build-a-better-buffer).
- **Coastal Rivers nature education programs** that connect people of all ages with nature. In February, we hosted 5th graders from Great Salt Bay Community School (GSB) for a week at Nature School at Coastal Rivers' Round Top Farm. The students learned survival skills, how to build shelters, kept nature journals, explored and played outdoors, wrote forest management plans, conducted experiments on carbon sequestration, counted species, did art projects, and more.

From March 2020 on, our programs have taken the form of online workshops, trainings, and discussions, many of which are available to watch at [coastalrivers.org](http://coastalrivers.org). New this year, we have created trainings and resources for teachers, many of whom have moved classes outdoors in the interest of health and safety. Great Salt Bay Community School hosted our mobile Wabanaki Fair in November and 179 students participated, learning about Wabanaki culture through interactive activities.

School group offerings and teacher resources, including recorded trainings, can be found on our website at [coastalrivers.org/events-programs/for-schools-groups](http://coastalrivers.org/events-programs/for-schools-groups).

- **Information and resources**, including boating and fishing regulations, boating safety materials, lead tackle exchange, and loon habitat information. Annual “Ponders” gatherings give pond-side land owners the opportunity to share concerns and learn about conservation efforts related to the ponds. This year’s gathering took place online; the recording can be viewed online at [coastalrivers.org/virtual-ponders-gathering-2020](http://coastalrivers.org/virtual-ponders-gathering-2020).

Formerly Damariscotta River Association and Pemaquid Watershed Association, Coastal Rivers is a nationally accredited land trust. We are pleased to report our accreditation was renewed in 2020 after rigorous peer review. This distinction signifies we meet the highest standards of financial management, ethical conduct, responsible government, and lasting stewardship.

Coastal Rivers’ work is made possible by support from the community, including many members and volunteers who reside in Damariscotta. To become a member or volunteer, please visit [coastalrivers.org/get-involved](http://coastalrivers.org/get-involved).

We welcome your comments and questions.

Contact us at 207-563-1393 or [info@coastalrivers.org](mailto:info@coastalrivers.org).

*The accessible Rhoda and Leon Cohen River Trail in Damariscotta.*

## **Damariscotta K-12 Education**

Craig Jurgensen, Superintendent of Schools, AOS 93

In January and February – and well into March 2020, students and teachers at all AOS 93 schools were engaged in rich and varied learning activities. At Bristol Consolidated School students were enjoying “Winter Kids Winter Olympics” and at Jefferson Village School “Winter Palooza” was celebrated. Nobleboro Central School and Great Salt Bay Community School students were at Coastal Rivers Education Center and students from South Bristol School were continuing their weekly boat building course at the Maine Maritime Museum in Bath. Eighth grade students across the district were planning visits to secondary schools and preparing their high school course selections. Students and teachers in all schools district were completing mid-year NWEA reading and math assessments. The CLCSS Administrative Team worked together in a day-long workshop “Using Data to Inform Instruction and Improve Student Achievement”; all staff were reviewing digital security and safety protocols as follow up to trainings provided in November by AOS 93 technology director. It was a great start to the second half of another school year in mid-coast Maine. Then, on March 19, we closed the doors of all five schools, sent teachers and students home, and implemented the first phase of our remote learning plan in response to the global COVID-19 pandemic.

This unprecedented change to all aspects of school operations was challenging. We began a review of the essential components of our public school educational system: Physical Health and Safety (facilities and transportation);-Social, Emotional, Behavioral, and Mental Health, Academic Programs and Student Learning, and the Foundations for Remote Instruction and Learning. From our review and using a decision making tool provided by the CDC we started planning for the reopening of our schools, anticipating that we would be back to our normal routines and schedules before the end of spring, certainly before the end of the school year. Unfortunately, this did not happen. Instead we continued our contingency planning looking at three broad options for September 2020: a return to “normal” school; a hybrid model of “normal” school and remote learning, and a continued but more rigorous and well-planned remote/distance learning for all students. We continued to plan for the future educational opportunities provided to our students and the operations of our schools.

Budgets and funding were significant concerns but all of our member towns provided the support our schools needed to plan for and provide for student and staff needs. Staff layoffs and/or furloughs were discussed as we addressed adjustments and accommodations to instructional and class size recommendations. Paradoxically, however, smaller class sizes pointed to the need for more staff due to the need for increased attention social distancing, containing students in instructional pods and the essential needs related to medical considerations and facilities cleaning. Additional custodial hours were added in all schools and every school extended nursing coverage. The support of our Lincoln Health nurses and their supervisors has been a critical component in our understanding of how to address and respond to specific issues and concerns regarding appropriate personal protective equipment, symptom monitoring, contact tracing, and quarantining, as well as interpreting, understanding and effectively using local and regional data about the pandemic.

Each of our schools – Jefferson Village, Nobleboro Central, Great Salt Bay Community, Bristol Consolidated, and South Bristol – worked with its Coordinated Planning Team to discuss the implementation of enforcement of standard operating procedures and educational supports to meet the needs of their community of learners as they returned to school in the fall. Each CPT adhered to the basic charge of creating a back-to-school plan but they tailored their planning to fit the needs of their students, staff, and school facilities. The work was intense, sometimes controversial, and often done without clear direction from state and national experts. We learned quickly about the importance of making decisions but also the essential awareness that the decisions we made were

not always permanent and that all decisions needed flexibility to respond effectively and quickly to new situations.

All schools opened in September with most, if not all, instruction being in person and five days per week. A remote online option was made available to families whose personal circumstances prevented their students from returning to in-person instruction. Throughout the spring and fall, AOS teachers and staff continued their professional development engagement using Zoom or completing online classes. Professional learning communities, committees, and grade level teams continued to meet regularly. The district's Administrative Leadership Team met weekly for status updates related to the pandemic but more importantly to address topics concerned with special education, instruction, assessment and finance. All staff upheld the highest professional standards and commitment to all aspects of their work and commitment to our students, families, and one another.

School budgets provide the backdrop for telling the story of every school. How a school appropriates and uses its available funding translates to and defines what is important to the administration, teachers, support staff and the community because it represents what these groups want and need to provide for their students. Budget preparation is a complicated process. From one budget year to another, school administrators work with local officials and community members to ensure that each school budget is adequate, equitable, and predictable and that it is developed with input from all stakeholders in a clear and transparent process.

The AOS 93 School Board which includes a representative from each member town (Bremen, Bristol, Damariscotta, Jefferson, Newcastle, Nobleboro, and South Bristol) initiated a revision of the interlocal agreement that defines the operational structures and relationship of the seven towns that form the Central Lincoln County School System. At the AOS 93 Central Office in Damariscotta there were several staffing changes:

Michelle Miller was hired in January as the new Food Services Director. Michelle had previously worked at Jefferson Village School as the Cafeteria Manager.

Kelly Stokes was hired in as the Director of Special Services. Kelly previously worked for MSAD #6 in Buxton, Maine.

Lynsey Johnston was hired as the Assistant Superintendent, Business Manager for AOS 93. Lynsey had previously worked as the Jefferson Village School Principal. Lynsey was replaced at JVS by Lauren Arnold.

Our work together in the schools and communities is complex, challenging, and unquestionably essential and rewarding. Together we make a positive difference in the lives of our students, their families, and the communities in which we live and work. We are increasingly coming together as a learning community to engage in expanding our shared commitment for improving the education we provide to our children. The pandemic did not distract us from our mission. I encourage you to visit the AOS 93 website ([www.aos93.org](http://www.aos93.org)) for current news and information about our students and school activities, as well as school policies, School Committee meeting agendas and minutes. This website will also provide you with links to individual school websites and to useful information from numerous resources.

Maine law recognizes the critical role schools have in the lives of our children: "Compulsory education is essential to the preservation of the rights and liberties of the people and the continued prosperity of our society and our nation. Maintaining regular student attendance is necessary to achieve the goal of an educated citizenry." The vibrancy of our local communities and their support for our CLCSS schools is essential for the attainment of student aspirations and success.

Respectfully Submitted by,  
CRAIG JURGENSEN  
Superintendent of Schools

## **Central Lincoln County (AOS#93) Adult and Community Education**

Despite the onset of a world-wide pandemic and periodic closures of our program for safety reasons, your CLC Adult & Community Education nonetheless managed to provide services to nearly 700 people in 2020. It was a year like no other and we are still trying to adapt to the change in delivery systems and to the recruitment of enrichment instructors who are comfortable with technology and delivering content remotely. As you might imagine, we took a huge financial hit due to the pandemic and the forced closures we experienced. Our enrichment program, which funds the bulk of our academic programs along with the AOS 93 town contributions, was hit drastically. We typically bring in \$12,000-\$15,000 in enrichment fees each fall but this past fall that number was reduced to \$4,000! We hope to secure enough donations to cover the significant revenue loss we experienced due to the pandemic but that remains to be seen. One significant cost cutting measure we have taken is to no longer print and distribute two thirty page brochures each year. Beginning January 2021 we will send only postcards to all area residents directing them to our website where they can access the brochure on our web page. All of our academic programs are FREE to Maine residents and we hope we will be able to keep the lights on and the learning going despite the loss in revenue.

Between 2018-2020 we served 35 learners in our high school equivalency program. Due to the pandemic, we had only one student able to complete his studies this past June and obtain his high school equivalency diploma. However, that one graduate's accomplishment was noteworthy in that he became the first person in his family to ever earn a high school diploma! The celebration of our graduate's achievement was joyful beyond all imagining! Anyone who is sixteen years or older, out of school and without a diploma, should contact us to explore options and develop a plan to acquire a high school equivalency diploma. Our dedicated staff is ready and eager to provide instructional support and ongoing encouragement to help each learner reach his or her goals.

Throughout 2018-2020, 46 learners accessed our college transition courses and services. Many of these are now enrolled in college or in a workforce training program of some kind. Anyone seeking support in navigating the college transition process, meeting the academic placement requirements for college acceptance, determining college and/or career goals, or understanding and completing college related paperwork/forms should contact us. Our college transition coordinator and instructional staff are ready to help with all of the above.

More than 600 community members accessed one or more of our low cost, high impact community enrichment offerings between 2018-2020. Our partnership with the other adult education programs in Sagadahoc, Knox, and Waldo counties along with our partnerships with LincolnHealth, the YMCA, the National Digital Equity Center, the American Academy of Medical Professions, and the Learning Resources Network allows us to provide offerings that we typically would not be able to provide. Fortunately, most of the offerings through these partnerships can be accessed remotely. We will likely be relying more and more on remote classes even when the pandemic is no longer an issue. However, once the health landscape looks brighter, we hope to see a return to in-person learning and some of our long standing enrichment favorites such as ballroom dancing, bird identification, juggling, and jewelry making. Fingers crossed that we get to have a nice balance of in-person and on-line offerings in the future!

Despite all that has happened this past year, the desire to learn and grow is alive and well in Lincoln County and in all the counties across Maine. Your CLC Adult & Community Education program is proud to be helping people make their dreams come true! For more information about any of our programs and services, please visit our website at: <http://clc.maineadulted.org>

Respectfully submitted,

CLC Adult &  
Community Education Director

## Great Salt Bay Community School Grades K-8

Great Salt Bay Community School is a vibrant K-8 learning community committed to providing its students with a rigorous and engaging 21st century education. Our dedicated team of educators and staff are guided by the mission of the school, which is to provide a nurturing, safe, and enjoyable environment in which all children are challenged and inspired to pursue excellence in all aspects of their education, research-based educational best practices, and the Maine learning standards.

In the 2019/20 school year, the enrollment was 433 students, which included twenty-six tuition, fifteen open enrollment, and three superintendents' agreement students. The school-wide goals focused on maintaining and improving school climate and developing a framework for social and emotional learning (SEL).

Between September 2019 and early March 2020, students had the opportunity to benefit from the traditional Great Salt Bay School educational experience. In addition to learning in their classroom, our students participated in experiential and interdisciplinary learning with our community collaborators, which include Coastal Rivers Conservation Trust, Farms Kitchen, Hidden Valley Nature Center, Kieve, Miles of Friends, Skidompha Library, the Twin Villages Food Bank and the CLC YMCA. At the end of the school day, our middle school students participated in numerous co-curricular and extracurricular programs, such as jazz band, math team, 8th grade girls' group, soccer, cross country, field hockey, golf, basketball and cheerleading. In the evenings, the school building was used for Adult Education, community events, PTO and Board Meetings, and musical concerts.

Friday, March 13th, was the last in-person school day for students and staff. Over the weeks following that date, the school transitioned to full remote instruction. Learning packets and computers (72 iPads for grades K-2, 132 Chromebooks for grades 3-6, and 125 MacBooks for grades 7-8) were distributed. In collaboration with Healthy Lincoln County, meals were passed out or delivered to families. Teachers and educational technicians worked with students via Zoom sessions, Google Classroom, and SeeSaw. The parents and other family members of our students became co-teachers and transformed family rooms, kitchens and bedrooms into mini-classrooms. Recognizing the importance of traditions, especially during times of disruption, the school held virtual "Spirit Weeks," "Bike Rodeos," "Field Days," and "End of Year Variety Show." The culminating event of the 2019/20 school year was the multi-day "socially distanced" graduation program for the sixty-six students of the Class of 2020.

During the summer of 2020, the school staff, especially the Collaborative Planning Team, focused on developing a plan that ensured compliance with the Maine DOE's six requirements for the reopening of schools. With the approval of this plan by our School Board and the tireless efforts of the staff, our students were able to return to school on September 8th. The enrollment for the 2020/21 school year was 385 students, which included seventy-five virtual academy, thirteen tuition, nineteen open enrollment, and three superintendents' agreement students. During the month of September, the students transitioned from a two-day to a four-day in-person hybrid model. By January 4th, instruction was increased to five days for all students.

To assist schools with unanticipated costs associated with COVID-19, Great Salt Bay School received free PPE from the state and hundreds of thousands of dollars in Elementary and Secondary School Emergency Relief Fund (ESSERF) and Covid Relief Funds (CRF). These funds have been used to cover the cost of additional staff members, educational resources, supplies, technology, van, and facilities upgrades to improve ventilation and hands-free plumbing.

Even with all the changes that have been necessary due to safety and health requirements, the

essence of the Great Salt Bay education has remained the same. Our students are receiving a high quality education.

On behalf of the Great Salt Bay staff, I would like to extend our deepest appreciation of the community's continued support of our K - 8 learners. To learn more about your school, please visit our website at <http://greatsaltbayschool.org/>.

# Lincoln Academy

To the Residents of Damariscotta:

Greetings from Lincoln Academy, where, like schools around Maine and the world, we have had a most unusual year. I am currently in my second year as Head of School, and what a tenure it has been! Despite the many challenges of 2020 and 2021, I am happy to report that we continue to deliver a top-notch education to our 534 students from 25 towns in Maine and nine countries around the world.

Last March in accordance with recommendations by the Maine Department of Education, we closed campus and moved to remote learning. Using Canvas, our Learning Management System, and a new schedule, we completed the 2019-20 school year with incredible innovation, quick learning by our faculty and staff, and hard work under imperfect conditions by our students. Starting the week we closed in March, the LA dining services team prepared and delivered food to any LA family that requested it. In June we graduated the Class of 2020 in a series of mini commencement ceremonies on Clark Field in a celebration we'll never forget.

We spent the summer improving campus safety and remote teaching methods, and opened in September with a hybrid learning schedule that keeps us on campus with students at half capacity, completing academic work through a combination of in-person and remote classes and assignments. We completed a full academic trimester and a shortened, masked, and spectatorless fall sports season before moving to four weeks of remote learning around the holidays. This pause in daily campus traffic allowed time to install an upgraded ventilation system throughout the main building to further improve our campus safety. I am happy to report that in January of 2021 we are back on campus for hybrid learning and a modified winter sports season.

In the last year we have learned that our strength as a community comes from our willingness to support one another, our belief that together we can confront even the most complex challenges, and that humility in the face of difficult times provides reassurance and comfort to all of our constituents.

There have been changes to our campus footprint this year. We consolidated the Alternative Education and IDEAL programs and Special Education offices into Hall House. We balanced this move by consolidating the boarding program into a single building, Kiah Bayley Hall. It has been wonderful to have all of our students on our central campus, and even in our hybrid schedule we have seen the benefits.

Other bright spots this year include the professional development and collaboration faculty undertook to improve their teaching. Necessity compelled innovation: music teachers taught outside under two "learning tents" well into the fall, and our theater program experimented with recorded and live streamed performances. Teachers retooled lab experiments and art projects for completion at home, and the math department is helping students work remotely together in small peer groups. This winter students are partnering with Bigelow scientists to build a device in the Applied Technology and Engineering Center (ATEC) that will allow them to count and identify organisms in the Damariscotta River.

As we approach our 220th anniversary as an independent, comprehensive town academy serving students from the midcoast region, we appreciate the support of all of our sending towns. We look forward to a full return to campus in the fall of 2021. We feel confident in a bright future for Lincoln Academy, and we cannot do it without your support.

Sincerely,  
JEFFREY S. BURROUGHS  
Head of School

## **Planning Board, Town Planner & Land Use Advisory Committee**

This has been a challenging year for the Planning Board (PB) and the Land Use Advisory Committee (LUAC). As with all other functions of local government, the pandemic required major changes on how the PB, LUAC and the Planner conducted business and with their interactions with the public. Initially, the scheduling and holding of meetings with applicants and the public, especially public hearings, created much uncertainty but eventually we found that some of the benefits of Zoom meetings outweighed some of the initial concerns. In fact, the Zoom platform may have resulted in increased participation of members of the public who might not have attended meetings at the town office because of weather, distance or personal circumstances.

The Planner and LUAC developed proposed amendments to the Land Use Ordinance, recommended an Historic Preservation Ordinance, which was approved by the PB, Board of Selectmen and the Town Meeting, and developed provisions for locating and approving medical and adult use marijuana establishments. The PB approved a variety of retail businesses, a boat storage facility and a number of Shoreland Zoning applications. The PB approved a municipal solar facility at the closed town landfill off Standpipe Road. The PB also began initial consideration of a formula business ordinance

A major work effort involved planning for a major downtown flood project. During the course of the year the Planner conducted extensive research on flood barriers and developed an engineering request for proposal for retaining a consultant firm to plan for and design downtown flood protection. The request for proposals was approved by the Economic Development Administration, which was providing major funding for the project. Other projects included initial planning for replacement of the Castner Brook culvert under Church Street.

The Planner worked with the LUAC to develop recommendations for updated uses, dimensional requirements and performance standards in Land Use Ordinance. He was appointed to the Maine Climate Council's Community Resilience Subgroup. He assisted the PB with site visits to various locations in the community as part of its consideration of proposals before the Board.

The PB and the LUAC each held monthly meetings throughout the year. The Planner met regularly with the Town Manager, Code Enforcement Officer and Town Attorney on pending and potential legal issues, ordinances, development projects and issues associated with climate change and sea level rise impacts on the community.

Respectfully Submitted,  
BOB FAUNCE  
Town Planner

# Code Enforcement Officer and Licensed Plumbing Inspector

Considering how last year started off with the COVID-19 scare in the spring and the fact it showed up early in Maine we had a busy year for permitting.

I issued more permits this year than last year. Part of the increase I believe was due to the fact that a lot of people had to stay at home or work from home. They wanted new or expanded decks, a new garage or remodel of their homes. Some businesses seemed to see growth and wanted to expand. We had a number of new businesses also. We have a new hair salon on Main Street, a new family insurance business in the Cappola building on upper Main Street, a new gluten free bakery on Main Street, a new adult use and a medical marijuana store, both on Main Street, a new storage unit facility on Heater Road, an addition to the River Grill, a new facility for Morning Dew Farm on Route One and others. We have four new homes under construction. I issued 45 plumbing permits, 26 were for interior and 19 were for septic systems. I also issued 21 sign permits and 3 new alarm permits.

I issued 46 residential building permits and 13 commercial building permits. I am in the office in the mornings until noon. If you have any questions or concerns, please call the office and ask to speak to me or leave a voicemail if I'm unavailable.

Respectfully submitted,  
STAN WALTZ  
Code Officer  
Building Inspector  
Plumbing Inspector  
Shoreland Zone Officer  
911 Addressing Officer

## Town Manager's Budget Message

Dear Damariscotta Taxpayers:

Included in this year's Annual Report are the Board of Selectmen's and Budget Committee's recommended Town Budget for Fiscal Year 2022 (July 1, 2021 to June 30, 2022). Town Treasurer Cheryl Pinkham and I along with the Town department heads have worked to present a budget that will result in a minimal increase in the mil rate for Town Government. In the current year, 34 percent of the property tax goes to fund Town services, 56.8 percent is spent on primary and secondary education and 9.2 percent pays for Damariscotta's share of County assessments. The total property tax mil rate for FY 21 is 16. (\$16 per one thousand dollars in valuation).

You will see that the overall recommended increase in budget expenditures is 2.9 percent over the FY 2021 budgeted expenditures. The property tax component of revenues increases 1.1 percent in the recommended budget. The relatively low amount shown for the recommended property tax increase is due to the higher amount that was set aside in the overlay during last year's tax commitment. Other revenue sources continue to be stable despite the current pandemic.

The only portion of the education budget included in the Town Manager's proposed budget is the amount that is requested for adult education. School District administration, secondary and primary school budgets are submitted to the Town Meeting legislative body separately. The recommended budget does not include the FY 2022 overlay that the Board of Assessors will determine as part of the Tax Commitment in late July or early August.

Under the revenue section of the budget, revenue sharing has been budgeted at \$212,800 based on a projection of revenues in the Maine General Assembly-approved budget. The percentage of State revenues that will be shared with municipalities for the coming year has been set at 3.75%. Note that the actual dollar amount from this source may be lower due to the statewide economic downturn.

Also, under the revenue section, I am recommending that the Town continue to utilize funds from the undesignated reserves to reduce the amount of a property tax increase for the coming year. The amount carried over from the undesignated fund balance this year is \$100,000. For FY 2022, the Board and the Committee are again recommending that \$100,000 be carried over from this fund balance. I am estimating that the unallocated fund balance will be approximately \$1,200,000 on June 30, 2021.

The Board of Selectmen and the Budget Committee closely reviewed the line-item descriptions in the detailed budget document. The \$2,963,290 recommended budget total does not include the County assessment of \$501,832.47, previously approved by the County Commissioners. The major changes in the Town's budget are increases in police officer compensation per the recently approved union contract, the assessment to the Town for the Transfer Station (approved by the Selectmen in January of this year) and the requested increase for ambulance services (previously adopted by the Ambulance Board of Directors).

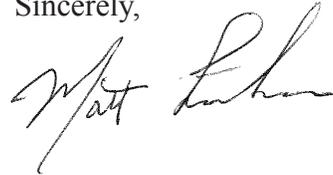

During the coming year, I am again recommending that there be a heavy emphasis on capital reserves in addition to the continued pre-funding of future capital equipment expenses. This budget line by itself is a large part of the requested overall increase for FY2022. The breakdown of recommendations for capital reserve allocations is posted on the Town's website. This spreadsheet also includes preliminary recommendations for the Town's five-year capital improvement plan.

The Town Charter requires that the Town Manager provide a report of the Town's current indebtedness in this transmittal message. The current debt stands at \$161,436.25 which is roughly \$54,050 lower than it was last year at this time and the lowest that it has been in more than a decade. The debt is comprised of the two bond issues that will be paid off this coming October and a loan for the street light conversion that the Town will pay off in 2025.

Although the property tax increase in this recommended budget is modest, the service levels that are funded by property tax dollars, fees and grants will continue to provide an aggressive capital improvement program and compensation for a productive and highly committed staff, as well as provide for fixed expenses of which the Town has little control.

Please feel free to contact me if you have any questions on the recommendations for the coming year's Town Budget.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Lutkus". The signature is fluid and cursive, with the first name "Matt" being more prominent than the last name "Lutkus".

MATT LUTKUS  
Town Manager

Town of Damariscotta  
**Warrant for Fiscal Year 2022**  
**Annual Town Meeting**  
For Period July 1, 2021 to June 30, 2022

LINCOLN, SS

STATE OF MAINE

TO: Jason Warlick, Constable for the Town of Damariscotta, in the County of Lincoln.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Damariscotta, in said County, qualified by law to vote in Town Affairs, to assemble at the Damariscotta Municipal Building, 21 School Street in said Town, on Tuesday, the 8th day of June, A.D. 2021 at 8:00 A.M. then and there to act on Articles 1 through 26.

The polls for voting on Articles 1 through 26 will be open at 8:00 A.M. and will close at 8:00 P.M.

The adjourned meeting to act on articles 27 through 42 in the Warrant will be resumed at the Great Salt Bay Community School, 559 Main Street in said Town on Wednesday the 9th of June, A.D 2021 at 6 P.M.

**ARTICLE 1.** To choose a Moderator to preside at said meeting.

**ARTICLE 2.** To elect by secret ballot in accordance with the vote of the Town, the following officers:

**One Selectman/Assessor/Overseer of the Poor (Three-year term)**

**One School Committee Member (Three-year term)**

**One Sanitary District Trustee (Three-year term)**

**ARTICLE 3.** To see if the Town will vote to adopt a Charter Amendment that adds the Historic Preservation Review Commission as a standing commission of the Town.

**ARTICLE 4.** To see if the Town will vote to amend the Historic Preservation Ordinance to increase the number of Commission members to five regular members, eliminate provisions for expansion of the district beyond the Main Street Historic District and amend and clarify other sections related to demolition of unrepairable structures and the architectural compatibility of new buildings and additions. A copy of the ordinance showing the proposed amendments is on file with the Town Clerk and posted with this warrant.

**ARTICLE 5.** To see if the Town will vote to adopt a Solar Energy Systems Ordinance that will allow community solar farms to be constructed in town in accordance with the criteria established by the proposed ordinance. A copy of the ordinance is on file with the Town Clerk and posted with this warrant.

**ARTICLE 6.** To see if the Town will vote to raise and appropriate the sum of \$832,846.37 for  
GENERAL GOVERNMENT:

ADMINISTRATION: Board of Selectmen & Budget Committee recommend:	\$443,762.52
ASSESSING: Board of Selectmen & Budget Committee recommend:	\$51,696.25
PLANNING & DEV: Board of Selectmen & Budget Committee recommend:	\$102,082.60

Attest: Town Clerk

## Town Manager

I am pleased to provide you with the report of our Town activities during Fiscal Year 2020. Despite having to take precautions during the pandemic, the Town enjoyed a number of key successes.

During the year, Damariscotta voters approved ordinances that set in place the rules regarding the establishment of adult use and medical marijuana commercial establishments. The ordinances were adopted shortly after the State finalized statutes and regulations that implemented the 2016 State-wide recreational marijuana legalization ballot issue.

In June, the Town's solar array began producing enough energy to provide the electricity needs for all municipal facilities. The solar array is located on five acres of the Town's former land fill. The site is leased to a private company that provides the energy to the Town through a net metering agreement with Central Maine Power. The use of solar power is not only wise for environmental reasons, it also ensures a fixed cost for energy supply over a period of at least thirty years at significant savings over the cost of fossil fuels.

The long-awaited Bristol Road sidewalk project finally reached the construction phase. Despite the challenges during construction, a strong partnership between Town staff and the Maine Department of Transportation ensured that the taxpayers received a good quality project for their Federal, State and local investment. Residents of the neighborhoods adjacent to Bristol Road now have safe pedestrian access from Miles Street to downtown.

During the year, the Town received a number of grants that are allowing us to move forward on some key projects. A \$3,000,000 grant from the Federal Economic Development Administration was matched with over a million dollars in private donations. This grant funding along with local tax dollars, other donations and a State Grant will fund the reconstruction of the sewer and drainage lines and pavement surface in the Municipal Parking Lot, allow the completion of the downtown restroom, fund pedestrian walkways, and fund building the infrastructure needed for protection from future sea level rise. As the fiscal year drew to a close, the Town's Waterfront Improvement Committee and Board of Selectmen selected a consultant team to develop plans for the reconstruction of the parking lot and construction of flood resiliency improvements that will take several buildings on the south side of Main Street out of the 1% flood zone.

The Town concluded its agreement with RealTerm Energy to replace all of the Town street lights with LED fixtures. The Town recently purchased the 95 fixtures from Central Maine Power. The savings from both municipal ownership and the more energy efficient lighting will pay for this project in less than five years.

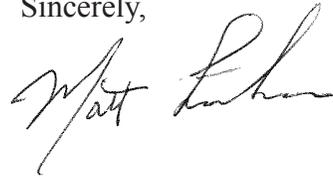

Other grants and donations that the Town received during the year were \$5,000 to pay for extra election expenses caused by the pandemic, \$2,500 for the installation of an electric vehicle charging station in the downtown parking lot, \$10,000 from the Island Institute to design the reconstruction of the Church Street culvert, and a \$75,000 gift from a private foundation to complete the survey, design and engineering for an extension of the Church Street sidewalk east to Main Street. In addition, the Town was able to assist the YMCA in its Community Development Block Grant application. The \$50,000 received through this grant allowed the Y to start an after-school program that focuses on academic enrichment, physical activity and nutritional meals.

Other significant achievements during the past year included an agreement with LincolnHealth for the reconstruction of Miles Street along with the addition of a sidewalk that will connect to the new Bristol Road sidewalk. The road is owned by the Town but serves as the major entrance to the hospital and healthcare complex. The agreement calls for the design and construction expenses to be shared equally by the two organizations.

Voters approved a Tax Increment Financing (TIF) ballot issue that earmarks the property taxes raised from the Camden Bank Plaza development and the development the two adjacent commercial parcels to be used largely for sidewalk projects on Main Street. Once there is a steady stream of funding from these developments, a bond will be issued to provide the local match for State grant funds. The section of the sidewalk from Great Salt Bay School to Biscay Road has already been approved for funding in the Maine Department of Transportation's three-year plan.

In closing, I would like to once again thank the many citizens and businesses who have made Damariscotta a leader among small communities and, more importantly, have contributed to making our town such a wonderful place to live, work and enjoy some of the best quality of life amenities that Midcoast Maine has to offer.

Sincerely,

MATT LUTKUS  
Town Manager

## INDEPENDENT AUDITORS' REPORT

Selectboard  
Town of Damariscotta  
Damariscotta, Maine

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Damariscotta, Maine as of and for the year ended June 30, 2020 and the related notes to the financial statements, which collectively comprise the Town of Damariscotta, Maine's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

3 Old Orchard Road, Buxton, Maine 04093

Tel: (800) 300-7708

(207) 929-4606

Fax: (207) 929-4609

[www.rhrsmith.com](http://www.rhrsmith.com)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Damariscotta, Maine as of June 30, 2020 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matters

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and pension and OPEB information on pages 4 through 11 and 59 through 66 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Damariscotta, Maine's basic financial statements. The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 20-A MRSA §6051, Sub-chapter 1(K) of the Maine Revised Statutes as amended and is also not a required part of the basic financial statements

he Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements, capital asset schedules and the schedule of expenditures of federal awards are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - School Department, combining and individual nonmajor fund financial statements, capital asset schedules and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2021, on our consideration of the Town of Damariscotta, Maine's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Damariscotta, Maine's internal control over financial reporting and compliance.

## U.S. Senator

Dear Friends,

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges – the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the CARES Act passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the CARES Act lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the Great American Outdoors Act, a bipartisan bill which was enacted into law in August 2020 and will help address a \$12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher – made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Best Regards,  
ANGUS S. KING, JR.  
United States Senator

## U.S. Senator

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately \$3 trillion to respond to this public health and economic crisis, including more than \$8 billion directed to Maine to support testing, schools, the economy, and other purposes - that is nearly double Maine's annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly \$2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided "exactly what we needed at exactly the right time." The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured \$132 million to improve Maine's roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation's seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer's disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,  
SUSAN M. COLLINS  
United States Senator

## U.S. Representative

Dear Friends,

2020 has been a year of unconscionable loss and hardship. The COVID-19 pandemic has ravaged our nation, magnifying long-unaddressed inequities. I hear daily from constituents whose lives have been upended by the pandemic. As we navigate these ongoing challenges, my top priority in Congress has been to advocate for the resources Maine residents, businesses, and institutions need to weather this crisis.

In March, the CARES Act was signed into law, providing much-needed relief to Mainers, including expanded unemployment benefits, stimulus checks, grants and loans for small businesses and nonprofits, and funding for health care providers on the front lines of this crisis. As this crisis wore on, I saw increased need; that's why I voted for the Heroes Act in May and again in October to provide further support. I'm relieved we passed another relief package at the end of December, but I know another round of support is still much needed in the coming year.

The pandemic isn't the only crisis we face. Climate change threatens Maine's environment and industries. This summer, the Gulf of Maine recorded its hottest day, and we experienced the longest, most severe drought in 20 years. Maine farms continue to be stymied by climate change, but they can also play a crucial role in combatting it. In February, I introduced the Agriculture Resilience Act to ensure American agriculture is net-zero by 2045. The release of Maine's Climate Action Plan is a major step in the fight against climate change. I will continue to work with state leaders to ensure they have federal support to achieve this agenda.

2021 will offer different challenges. We must distribute a vaccine to millions, restore jobs, uplift the economy, and repair the divisions that undermine our ability to make meaningful change. I look forward to working with the incoming presidential administration to meet these challenges and emerge as a stronger, more resilient nation.

As always, the needs of Mainers guide my work as we recover from this crisis. If there is anything my office can do to help, please reach out.

Sincerely,  
CHELLIE PINGREE  
Member of Congress

# Governor

Dear Friends:

When I took the oath of office as Maine's 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up.

In the coming months, I look forward to working with you in fully opening our schools and businesses across the state. We will hasten our state's recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,  
JANET T. MILLS  
Governor

P.S. For the latest information and guidance on Maine's response to COVID-19, as well as resources for assistance during this time, please visit [www.maine.gov/covid19/](http://www.maine.gov/covid19/).

## State Senator

Dear Neighbors in Damariscotta,

Thank you for the opportunity to represent you in the Maine Senate; I am truly humbled that you have chosen me to be your voice in Augusta, especially during this unprecedented time.

Since the pandemic arrived in Maine in March 2020, we have been faced with many challenges that few of us could have predicted. This public health crisis has brought with it economic and personal consequences that have touched every person in our state. Though there is hope that a vaccine means we are nearing the end of the worst of the pandemic, our challenges are far from over. The next couple of years will be critical to building a path forward into a bright future for our state.

In the Legislature, I have been appointed to serve on the Marine Resources Committee and the Agriculture, Conservation and Forestry Committee. I am excited work on these committees, which directly impact life for so many in our communities. These committees oversee matters that involve many of our heritage industries, including farming and fishing, and we know that the coming years will present these industries with real challenges if we do not prepare. These industries are critical to our culture and our economy. We need to be proactive in finding ways they can continue to operate and grow sustainably in a changing climate. Maine's natural resources are absolutely essential to our way of life and protecting them is our responsibility.

Over the next couple of years, I look forward to working on these important issues and more. The pandemic has highlighted several areas where we have made progress in recent years, but we also see that we must keep working to improve. All Mainers need access to quality health care and to reliable, high-speed internet, which has become a necessity. We must also support the workers and small businesses, which form the backbone of our economy, as we strive to rebuild in the coming years.

I know many in our community are still struggling, and I want to remind you that I'm here as a resource for you and your family. If you need help securing unemployment benefits, putting food on the table, connecting with a state agency, or just want to talk something through, I'm here to help. You can email me at [Chloe.Maxmin@legislature.maine.gov](mailto:Chloe.Maxmin@legislature.maine.gov) or call me on my cell phone (207) 200-6224. I really mean it when I say reach out anytime.

These difficult times are going to require cooperation and creativity from all of us. I am committed to working with and for everyone in our community, listening to all perspectives, and finding common ground to heal our state.

Sincerely,  
CHLOE MAXMIN  
State Senator

## State Representative

Dear Damariscotta Residents,

Thank you for the opportunity to serve you in the Maine Legislature. I look forward to providing responsive constituent services, advocating for you in Augusta, and passing measures to improve the quality of our lives.

This new legislative session looks quite different from any other because of the continuing COVID-19 pandemic. We were sworn in at the Augusta Civic Center, and much of our early work has taken place remotely, with both legislators and the public participating via the internet.

We are as determined as ever to continue to do the work you elected us to do accessibly and transparently. All our work is available to access online, either live or after the fact, and I encourage you to visit [www.legislature.maine.gov](http://www.legislature.maine.gov) if you are interested. Please contact me with any questions about how to stay informed about our proceedings.

Our major work in the upcoming session will be the creation of a balanced two-year state budget, and public hearings on this legislation are underway as of this writing. One of my goals for this budget includes making sure our recovery from the economic fallout of the pandemic leaves nobody behind. I am pushing to make sure the budget adequately funds our schools, strengthens our health care and behavioral health resources, provides help to local governments and property taxpayers, and strengthens our efforts to address the climate crisis.

Another critical area of work will be our economy, particularly considering how difficult the pandemic has been for our working families and entrepreneurs. We will also need to continue to improve access to broadband, augment workforce training and invest in Maine's large infrastructure network. And, given the experience of so many constituents last year, we will need to address the serious shortcomings in our unemployment insurance system that were brought to light by the current situation.

Some of my own bills include efforts to help volunteer first responders, strengthen services for students on the autism spectrum, improve training for school counselors, expand local access to drug courts and more.

Like my predecessor, Rep. Devin, I am serving on the Marine Resources Committee, where we will continue to advocate for the working waterfront, emerging industries like aquaculture and the continued health of our oceans and our coastline.

Through both my committee work and other legislative business, I am committed to working with all my colleagues, regardless of party, to advocate for our community and move our state forward.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is [lydia.crafts@legislature.maine.gov](mailto:lydia.crafts@legislature.maine.gov) and my phone number is 593-2664.

Respectfully,  
LYDIA CRAFTS  
State Representative
