Dedication

Theodore L. Clapp **May 15, 1919 - August 19, 2018**

The Board of Selectmen has chosen to honor and dedicate the Annual Town Report to Theodore “Ted” Clapp.

In 1941, Ted graduated from Colgate University where he was president of the Senior Honor Society and treasurer of his class, played on the varsity soccer team, was captain of the fencing team, a member of Sigma Nu Fraternity, and was appointed to “Who’s Who in American Universities and Colleges.” In 1943, Ted married Eleanor Young and received his B.D. degree from Yale Divinity School in 1944. He then served in the U.S. Army from 1945 to 1947 as a chaplain aboard transport ships sailing to and from France and Japan. Rev. Clapp received his Ed.M. graduate degree from Harvard University in 1955 and the CASG in 1960.

In 1978, Ted and his wife Eleanor moved to Waldoboro, Maine where he served as president of the Waldoboro Library Board.

They moved to Damariscotta in 1988, where Ted served on the Town Budget Committee for several years and was president of the Skidompha Library Board. Ted was a member of the Riverfront Park Committee, formed in 1994. He helped conceive, build, and maintain the Park until the Town took over its maintenance. He was an avid writer and a regular contributor to The Lincoln County News. Ted was well loved in the community and appreciated all the arts including symphonic music and often attended Midcoast concerts and plays.

Ted will be fondly remembered for his kindness, writings and contributions to our town and community.

Board of Selectmen Annual Report

Greetings to the Citizens of Damariscotta,

On behalf of the Board of Selectmen, it is my privilege to inform you on the progress that the Board, Town staff, and the various committees and numerous volunteers have made during this past year.

I thank my fellow Board members for their dedication to the many activities they participated in during the past year, and for the hard work and positive attitude of Town staff, who keep the wheels running on a daily basis in a professional, courteous, and timely manner. Town Manager Matt Lutkus continues his tireless efforts to obtain grants for a variety of improvements in the Town, and represents the Town and its projects across the state. This year he has been instrumental in working with several state associations to advance legislation beneficial to the future of the Town.

The Board thanks the many residents who volunteered their time and talents on various committees and boards throughout the year. Your dedication and commitment to improving our Town are greatly appreciated. Special thanks to the Land Use Committee, which has worked tirelessly in developing an Historic District ordinance and updating and recommending improvements to the Site Plan and Land Use Ordinances, making it easier for all when planning changes to their property.

This year marked a change in the Town's office hours to provide greater morning and evening access to customers. Staff surveyed other towns in Maine and presented the Board with an alternative schedule for a six-month test. Based on the initial study of customers served and comments received, the change will remain in place for the foreseeable future.

Damariscotta is a thriving community, growing and making progress on many fronts. The Waterfront project continues to take shape, including final planning for the public restrooms, being constructed in the summer of 2019. New commercial development on Route 1-B is underway, bringing new businesses and employment opportunities to the town. The Bristol Road sidewalk project has begun, scheduled to be completed before the end of 2019.

The Town "opted in" to medical marijuana and retail sales, cultivation, manufacture, and testing of adult use marijuana. Several community conversations with interested residents of Damariscotta and surrounding towns took place to offer advice to the Board on the preparation of ordinances. Two ordinances are currently being finalized, one for medical marijuana and one for adult use marijuana, and will be presented to the Town for a vote later this year.

The Board of Selectmen thanks you, the residents of Damariscotta, for all of your input and insights during the past year. It is only through your interest in keeping the Town informed of your concerns and your support that we are able to address our community's needs.

FY 2018 Attendance Report

(As required by Town Charter)

Robin Mayer	22 of 24 Meetings
Ronn Orenstein	24 of 24 Meetings
George Parker	5 of 6 Meetings (Resigned 9/5/17)
Amy Leshure	22 of 24 Meetings
Mark Hagar	23 of 24 Meetings
Louis Abbotoni	14 of 15 Meetings (Elected 11/7/17)

Attendance recorded by Clerk's Office

Respectfully submitted,
ROBIN MAYER, Chairman

Town Clerk's Office

The Town Clerk's office is responsible for the recording and preservation of vital records such as births, marriages, and deaths. Issuing certified copies of these records along with making corrections, additions, and deletions are all completed by the Town Clerk's Office in accordance with the State of Maine Office of Vital Records. All new Vital Records are now accessed through the State of Maine Electronic Death Registration System (EDRS), Electronic Birth Registration System (EBRS) and Electronic Marriage Registration System (EMRS). These systems store all vital records electronically which has eliminated much of the need to store paper copies of such records in our town vault.

The Clerk's office is responsible for issuing dog, entertainment, hunting and/or fishing, liquor, marriage, and vending licenses. The responsibility of supervising all State and Municipal elections falls under the Clerk's office as well. Elections are held in the Municipal Building at 21 School Street, with polling hours from 8:00 a.m. until 8:00 p.m. These elections and annual and/or special town meetings could not happen without the generous help of our dedicated Damariscotta residents. Each election cycle, I call on the same community members to serve as election clerks and moderators and they continue to assist us in maintaining the election process. I would like to **THANK YOU** all for your continuing support! You are the ones who make the elections possible! If you are interested in learning how you can assist with the elections, please contact me at the Town Office 563-5168 or mcameron@damariscottame.com.

Dog Licenses: Please bring proof of current rabies vaccination at time of registration. If the dog is spayed or neutered, we will need to see the spay or neutering certificate. Dog licenses expire every year on December 31st, and a late fee of \$25.00 is imposed as of February 1st. This is the State of Maine law and not something the Town is able to waive.

Hunting & Fishing Licenses: Maine residents are eligible for a resident license after being a resident for at least 3 months. New residents must provide proof of residency for both license purchases. For hunting licenses, Maine residents must provide proof of prior license or proof of completion of hunters' safety course. Any Nonresident is eligible to purchase a nonresident hunting license once proof of prior license and hunter safety course completion is provided.

Liquor & Entertainment Licenses: The Damariscotta Board of Selectmen requires a public hearing on all new applications for liquor & entertainment licenses. Applicants are required to pay an advertising fee and attend the public hearing. Renewal applications can be brought into the town office to be signed by the Town Clerk or the Town Manager.

Marriage Licenses: Applicants need to fill out a marriage intention form in front of a Town Clerk or a Notary Public. However, BOTH applicants must sign the official license in the presence of the Town Clerk, before the license will be issued. If the applicants are Maine residents, you must file intentions in the municipality where at least one of you resides. Non-Maine residents may file intentions in any municipality.

Licenses issued 7/1/17 ~ 6/30/18

ATVs:	49
Boats:	280
Dogs:	78
Entertainment:	03
Hunting & Fishing:	121
Liquor:	15
Snowmobiles:	30
Vendor:	02

Boat Registration/ATV/Snowmobile Registration: Damariscotta processes new and renewal boat, ATV, and snowmobile registrations. For “new-to-you” registrations, please bring in a bill of sale listing the serial number, year, make, model and purchase price. For boat registrations, ME registration numbers are helpful if the boat was previously registered in Maine. Sales tax will be collected at time of registration unless purchased through a dealership. If purchased from a dealership, please bring proof of paid sales tax and bill of sale from the dealer. All boat registrations expire on December 31st and all snowmobile and ATV registrations expire on June 30th. ***The Town of Damariscotta offers online registration renewals. Go to our website, www.damariscottame.com and click on online services.**

Vehicle Registrations: Excise tax is required to be paid on all vehicles and most boats in the municipality you reside. These funds stay within your municipality. In order to re-register a vehicle, please bring current proof of insurance, your old registration and current mileage. To register a new vehicle purchased from a dealership you will need to bring the blue copy of the title application, proof of insurance, current mileage and proof that sales tax has been paid. (A brand new car will also require the window sticker from the dealership). For a person-to-person purchase, you are required you to bring a bill of sale with the year, make, model, vehicle identification number, and dollar amount paid. If the car is a 1995 or newer you must have the title from the previous owner, with the backside filled out. ***The Town of Damariscotta offers online registration renewals. Go to our website, www.damariscottame.com and click on online services.**

Voter Registration: New residents may register to vote at any time during the year, even on Election Day! Proof of identity and residency is required at the time of registration. Damariscotta has 1833 registered voters, 701-Democrats, 459-Republicans, 86-Green Independent, 2-Libertarian and 585-Unenrolled (formerly considered ‘Independent’).

This past fiscal year the Town held the following elections with the following voter turnout:

<u>Date</u>	<u>Type of Election</u>	<u>Ballots Cast/Voter Turnout</u>
11/7/17	Referendum/Municipal Election	807
6/12/18	Annual Municipal Election	583
6/12/18	Referendum Election	584
6/13/18	Annual Town Meeting	60

Respectfully Submitted,
MICHELLE P. CAMERON
Town Clerk

Vital Statistics

BIRTHS

This year Damariscotta residents welcomed 14 babies to our town! The laws for vital statistics were changed and we are unable to print the names of these new bundles of joy.

Respectfully Submitted,
MICHELLE P. CAMERON
Town Clerk

Assessors' Agent

Property in Damariscotta continues to maintain its valuation. The declared certified ratio was 100% for the fiscal year. The certified ratio of 100% means that the full amount of the Homestead exemption (\$20,000) and Veteran Exemption (\$6,000) is applied to the valuation of the property.

In the State of Maine, the “snapshot” tax date is April 1. What exists as of that date is what gets taxed. This also means that the owner of record as of that date is the one who gets the tax bill. If the property is sold after that date, the taxes need to be pro-rated between the buyer and seller. The owner of record will be receiving the fiscal year tax bill; it is their responsibility to ensure that the new owner gets the bill.

I encourage you to contact this office, either by phone or email, if you have any questions or concerns regarding the taxation process. I welcome having the opportunity to check and refine our data, making whatever changes are warranted. The ultimate goal is to get things right so that the tax burden is spread fairly and equitably across town.

Respectfully submitted,
JURATE J. BARNES, CMA

PROPERTY TAX RELIEF

The following exemptions are made available to taxpayers at a local level. Applications are available at the assessor’s office or online and are ***due on or before April 1st***.

- **HOMESTEAD EXEMPTION** - To qualify, homeowners must be able to declare the property as their principal residence for at least the 12 months preceding the date of the application. Once the application is filed, the exemption remains until the owner sells or changes their place of residence.
- **VETERAN EXEMPTION** - Any veteran or the widow of, who served active duty during a federally recognized war period and, if discharged or retired under honorable conditions. The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.
- **BLIND EXEMPTION** – Applicant must provide written proof from a medical doctor or eye care professional that they are legally blind.
- **BETE** – Certain businesses may qualify for an exemption on personal property tax for equipment first subject to tax on April 1, 2008. This is an annual application.
- **BETR** – Certain Businesses may qualify for reimbursement on personal property tax paid during the previous year. Taxpayers begin the application process by filing the form “801” with our office.

More information can be viewed on line at
www.maine.gov/revenue/propertytax/propertytaxbenefits/

Cemetery Trustees

Covering the Period of February 2018 through January 2019

We continued to assist scores of people by phone, email, and in person with permits, sales, lot-ownership transfers, burials, stone care, history, and genealogy. We oversaw a dozen burials and the setting of eight new stones and three replacement stones, and we codified the process for determining successive burial rights after the lot owner is deceased. Some families kindly assisted us by providing copies of old deeds and other documents not previously on file with the Town, including a historically interesting 1878 receipt for a monument purchased from dealer F. D. March.

A dozen lots were sold, putting \$6,000 into the Town's coffers. By a vote at the June 2018 Town Meeting, all of that income was placed into the Perpetual Care Fund in an effort to build the balance into a self-sustaining account in the future. An unused double-lot in Bethlehem Cemetery was sold back to the Town, with the Town reimbursing the original buyer for the cost of the lot while retaining the original Perpetual Care payment. A \$1,000 bequest from the estate of Elizabeth Merry-Miller was gratefully received and added to the Perpetual Care Fund. In the course of assisting her attorney's office with that process, we discovered that her headstone bore the incorrect death year, prompting the estate to replace it with a corrected stone.

Considerable time was spent coordinating with FEMA to obtain \$6,553.32 in reimbursements for expenses incurred as a result of the October 2017 storm which damaged 11 headstones and a picket fence.

We are grateful for the responsible dog owners who keep their pets leashed in the cemeteries and clean up after them appropriately. We also appreciate those who are careful to complete the required permits in advance, which helps us keep accurate records. We were concerned by unsupervised children using Hillside Cemetery as a playground in the fall, and by sledding tracks found there in the snow in November. Sadly, we experienced the apparent theft of a metal SAR flag holder from the grave of Revolutionary War veteran Jonathan Russ in Knowlton-Russ Cemetery (GR40) over the winter. While dealing with that, we provided a correction of the site's name to the FindAGrave crowd-sourced website.

We prepared DIY instructions for families who choose to do their own cremation-urn burials. (It's not as simple or easy as one might think.) Unrelated, a 2003 urn vault surfaced in the Norris Yard, which we repaired and covered with additional soil.

Maps for all sites were completed and added to the Town website, in addition to paper copies being put on file at the Town Office. A second set of paper maps was provided to Skidompha Library's Genealogy Department for patron use when the Town Office is closed, and to serve as a backup copy. A metal map sign was installed in the Norris Yard, completing the map installations in the Town cemeteries.

Work continued on the database, with all names added for the Old Hodgdon Yard, Norris Yard, and Annex 1 portions of Hillside. More veterans were identified in the process, and flags were added as appropriate. A notebook listing all veteran flag placements in Damariscotta was prepared and provided to the American Legion, who found it useful as they set flags in all of the cemeteries for Memorial Day. The notebook will be updated each year as needed.

A presentation on Damariscotta cemeteries was provided to the Pemaquid Chapter of the Daughters of the American Revolution, which prompted the group to fund the repair of a DAR flag holder for a grave in the Norris Yard. We also provided the DAR with a list of Revolutionary War veterans buried in Damariscotta and their grave locations. The same list was subsequently provided to a researcher in Massachusetts.

ID badges were prepared for each Trustee, providing a quick verification when visitors are concerned about us being in a cemetery with a shovel, probe, metal detector, or other equipment. We appreciate the awareness of those who question us about such activities.

Hugh Priebe and Edie Parlin of DPW reworked the area in front of the Hillside receiving tomb so that the doors can be opened and water will drain away from the tomb. They also assisted with myriad other projects, including the reseeding of the area around the Walpole arch, hanging the signs on the picket fence, leveling stones whose tilt posed a danger to passersby, resetting fallen stones for whom descendants could not be located, and plowing to open Hillside Lane for a graveside service. A temporary employee, Jeff Paye, was added to the roster specifically to lift and level flush stones, starting with those of veterans; 80 such stones were completed in the fall.

After hitting ledge unexpectedly during a grave opening for a burial in Annex 2, we had ground penetrating radar (GPR) performed in the late fall. While the final report will not be ready until additional site work has been completed in the spring, initial indications are that about one-quarter of Annex 2 is unsuitable for full burials. Lots identified with sub-surface boulders or ledge either will not be sold at all, or will be sold with a deed restriction for cremation burials only. Discussions have begun about the possibility of installing a columbarium in the area most severely impacted by ledge. While the GPR firm was in town, we had them check some areas in Walpole-Huston-Woodward as well, and a number of unmarked burials were discovered. We were able to cross-reference the GPR data with drone images kindly provided by cemetery-neighbor Christina Sewall so we could prepare plans for the spring to search for headstones that may have fallen in years past and gone underground.

As usual, volunteers provided countless hours of work to maintain the Ancient Burial Grounds around town. Once again, Bob Harris and other Lions helped with several jobs, including installing site-name signs at each cemetery with funds for the materials provided by Damariscotta Historical Society. In one instance, an out-of-state descendant provided a donation earmarked for placing a sign at the cemetery where her ancestor is buried. The Society's annual silent auction raised another \$1,500, which also enabled us to deal with several trees that were posing a danger to veteran stones. Other volunteers included Matt Lutkus, who has become our resident expert for tablet-stone repairs and resetting; Adam Leeman, who provided manpower and a trailer to clear debris from three Ancient Burial Grounds; Hale McLean, who helped his grandmother Pat with work in Bethlehem Cemetery; Mac Ray who clears blow-down from the trail to Chapman-McAllister every spring; and our indefatigable "adopters" who quietly care for Ancient Burial Grounds throughout the year, despite the hazards of poison ivy, ticks, and brown-tail moth caterpillars: Steve & Karen O'Bryan, Josh Pinkham, Greg & Bonnie Kipple, J&H Landscaping, Damariscotta River Association, Bill Burlin, Bob Harris, George Dolengowski, Gordon Isleib, Larry Townley, and the Damariscotta-Newcastle Lions Club.

As is true year after year, the staff in the Town Office routinely makes our lives easier by cheerfully answering questions for us and for the public. We would be hard pressed to manage as many details as we do without the help of Jurate Barnes, Cheryl Pinkham, Michelle Cameron, and Rebecca Bartolotta.

LORRAINE FAHERTY

Central Lincoln County Ambulance Service Inc.

I would like to take the time to introduce myself as the new Service Chief of Central Lincoln County Ambulance Service (CLCAS). My name is Nicholas Bryant and I have been employed full-time at CLCAS since 2010. I have been involved in emergency services since I joined the Bristol Fire Department at 16 years old. I later went on to earn my Associate Degree in Applied Fire Science from Southern Maine Community College, as well as my Paramedic Training at Kennebec Valley Community College. I look forward to continuing to serve Damariscotta and our other communities in the years to come.

In 2018 our service responded to 1,640 emergency calls, an increase of over 100 emergency calls from 2017. While we have seen an increase in emergency calls, we have continued to see a decline in transfers, specifically basic life support transfers. The continued reduction in transfer volume has had a large impact on our revenue for the year. This is an issue for our organization because, in the past, our operational budget has come entirely from the calls we bill for, while the town contributions have been used for equipment and training needs. Going forward, the town contribution amounts have increased to compensate from our decreased revenue, while remaining very low cost when compared to other EMS agencies of comparable size.

We have continued our annual appeal letter to seek help from our community members in covering the increasing costs of equipment and training. I am pleased to announce that we have received great support again this year, raising \$29,000 to date. The money we receive in donations is going toward our effort to purchase our next ambulance to replace one of our two aging 2010 ambulances. The approximate cost of replacing an ambulance is now over \$190,000 and all donations are an essential part of acquiring these funds.

We have continued to provide Community Paramedicine visits to members of our community for our fifth straight year. This program has demonstrated a positive impact on the patient's ability to manage medical conditions at home. We have completed four training modules and will continue to train on additional topics in the future to continue to provide the best home care to our patients.

NICHOLAS BRYANT
Service Chief

Police Department

As always, on behalf of myself, and the entire Damariscotta Police Department, I would like to thank all the citizens and business owners in Damariscotta for their loyalty and continued support of our agency. We will continue to perform at the level you all expect from your local police department. As I have said in years past, we will continue to be a professional, ethical, transparent and caring police department. My goal has been, and will continue to be, instilling complete trust and building relationships with our community.

Our current staff consists of administrative assistant Joanna Kenefick, Chief Jason Warlick, Patrol Sgt. Erick Halpin, Officers Kyle Sylvester, Bryce Collamore, and James Reardon. Part time officers include Tyson Fait and Mark Graham. The department employs 2 seasonal parking enforcement officers who are typically hired each spring after an interview and background process. As always, our door is always open and I would love for our citizens to stop in and meet all our staff.

2018 was another busy year for our agency. The department covered 10,562 calls for service from January 1st to December 31st 2018. These calls ranged from property checks to fatal motor vehicle crashes and everything in between. Out of the 10,562 calls for service 3,947 were 911 calls for service and 6,615 were officer-initiated calls for service. I think these numbers show the citizens that while there is down time, your officers are out being proactive and always keeping a watchful eye on the community.

Something that the Damariscotta Police Department adopted in 2018 was the start of a “Peer to Peer” support group at the town office. The group is a new and innovative approach to treating people dealing with drug and alcohol addiction. The group has a strong focus on substance abuse but also helps any person battling any type of addiction. The group is led by a trained and certified substance abuse counselor as well as myself {Chief Warlick}. The group is weekly and is voluntary to participants. The group allows people in all different stages of recovery to talk in a safe environment with their peers to help navigate the addiction disease. The strong presence of law enforcement in the group helps build trust between the department and the patient battling the addiction. Since the introduction of the program I have been able to reintegrate people in recovery back into the local job force. This has helped deteriorate the stigma surrounding drug and alcohol addiction, and allowed people who otherwise would not have been given a job, the opportunity to prove to themselves they can become the person that the addiction stole away from them. And if that is not rewarding enough, the Town of Damariscotta only had 1 Burglary and 0 robberies in 2018. This is an incredible reduction in these felony crimes from the previous 3 years. And best of all, the reduction in crime was at no additional cost to the citizens of Damariscotta. It was accomplished by simply being compassionate and thinking a little “outside the box.” Thank you, community leaders and business owners, for your continued support and willingness to employ people in recovery. I beg that if you, or someone you know, is battling an addiction, please come and talk to me. I have resources available as well as other people in recovery that are willing to help anytime day or night.

The 2018 Pumpkinfest brought a banner crowd to town again. I would dare say it was by far the largest it has ever been. The streets were lined with people from both local and away. I spoke to visitors from London, Iceland and other locations all of the world. It was amazing to see what this event means to people. The event brought smiles and economy to our town. I am happy to report that it was another safe event and there were no major crimes or arrests as a direct result of the event.

I would like to take this opportunity to remind and educate our citizens about a few other services that our agency provides to the taxpayers of Damariscotta.

The first involves scam and identity theft information. The police department partners with a company that provides information about current scams and what to do if your identity is stolen. These are very helpful guides and are free to our citizens. I will also come to your place of work or facility and give the presentation at no cost. These packets are available upon request at the police department from 8am-4pm Monday through Friday.

The second service we offer is a prescription drug take back box located in the lobby of the police department. This service is available 24 hours a day, 7 days a week. This is a very safe and secure way to dispose of your unused or outdated prescription medications. The department would remind people to leave the medication in its original, labeled packaging while being transferred to the department for disposal.

The third service is a service that we have offered for many years. The department has several gun locks available to anyone looking to make their weapon safe and secure while at their residence. The locks are free and available to the public 8am-4pm Monday through Friday.

The last service I would like to talk about is our property check sheet. This sheet is available from our department and is designed to be filled out if a homeowner will be out of town and their home will be vacant for a period of time. Once this form is filled out, the officers would make periodic visits to your residence and make sure everything was safe and secure. This helps deter any thefts and break-ins. This is also very valuable if you own a seasonal camp on one of our many ponds or lakes. These forms are available 8am-4pm Monday through Friday.

The department continues to work closely with the CLC YMCA, Healthy Lincoln County, Mid Coast Addiction Resource Clinic, Great Salt Bay School, etc. Our efforts are focused on healthy living, and the reduction of substance use by youth in Damariscotta as well as Lincoln County. The department attends functions such as Fill the Bus, Sticker Shock, YMCA Family Night, and makes several trips into the elementary classrooms to help form positive relationships with the children in the community.

In closing I would like to thank my staff for their continued hard work, dedication and professionalism. Without these amazing members of the department we would not be able to make such a positive impact in the community.

There were 10,811 calls for service in the Town of Damariscotta in the 2017 – 2018 fiscal year. That is an average of approximately twenty-nine calls a day. The breakdown is as follows:

9-1-1 Checks	66	Abandoned MV	5
Animal Complaint	90	Administrative	4
Alarm, Burglar	108	Assault	11
Assist, Citizen	359	Assist, Other Agency	246
Attempt to Locate	9	ATV Complaint	1
Bomb Threat	1	Compliance Check on Inmate	110
Child Abuse	4	Property Checks	6220
Civil Complaint	20	Criminal Mischief	19
Community Policing	178	Concealed Handgun Permit	13
Death Investigation	3	Disabled Motor Vehicle	53
Domestic Disturbance	24	Drug Investigation	16
Erratic Operations	97	Fireworks	4
Fighting (non-domestic)	4	Harassment	32
Juvenile Problem	27	Loud Noise	38

Medical Emergency	426	Medical Alarm	35
Mental Subject	16	Missing Person	7
Motor Vehicle Accident	192	Motor Vehicle Stops	1006
Parking Problem	55	Pedestrian Check	23
Police Information	189	Lost/Found Property	138
Service	36	Sex Offenses	12
Shoplifting	11	Sex Offender Registration	1
Special Detail	42	Suicidal	11
Suspicious Activity	85	Search Warrant	2
Traffic Hazard	51	Theft/Forgery/Fraud	94
Threatening	11	Traffic Control	343
Trespassing	13	Unwanted Subject	19
Violation of Protection Order	5	Violation of Bail Conditions	4
Warrant Arrest	5	Welfare Check	44

Parking tickets are not included in the calls for service numbers.

Parking Tickets

412 parking tickets were issued from July 1, 2017 to June 30, 2018. Fine amounts totaled \$9,450.00. Of those 311 have been paid. We have collected \$7,950.00 (including penalties). There are still 101 unpaid tickets.

Massasoit Engine Company

To the Residents of Damariscotta, Board of Selectmen and Town Manager,

The Massasoit Engine Company continues to proudly protect the Town of Damariscotta with fire and rescue services, and offers this report for 2018. The Massasoit Engine Company, like many community service organizations, relies on local volunteers to serve and protect local residents. Our firefighters spend many hours protecting and serving this Town. The phrase “many hands make light work,” certainly applies to the responsibilities of a fire department. We earnestly request that you consider joining us, there are jobs for everyone on the fire department, from helping with paperwork, volunteering for fund raising efforts all the way to interior firefighter and operating fire trucks. Please contact the Chief if you are interested in finding out more about firefighting and becoming part of the Massasoit Engine Company’s long and proud history of protecting Damariscotta dating back to 1875.

The Massasoit Engine Company is fortunate to have 17 active regular members and 3 active junior members. In 2018, one junior member graduated to join our regular member ranks as well as two new junior members being brought onto the department. The junior program that was started in 2015 has helped bring several young members of the Town into community service. Of the seven individuals who have joined us through this program so far, we have been fortunate to still have six active, with two now being regular members. They make all of us firefighters and fire officers proud with their dedication and enthusiasm to learn and help the community. This program has been the best recruiting tool for the company so far, however it is difficult to hold onto these members when they come of age to move out on their own.

The members of Massasoit Engine Company have been busy with training the community of Lincoln County firefighters, with leading the instruction on three classes of the Lincoln County Fire Academy Basic Fire Class and helping organize and teach an Eagle term class at Lincoln Academy focused on an introduction to firefighting.

The soon to be delivered Damariscotta Engine 2, a rescue-pumper built by Rosenbauer during a factory final inspection in December of 2018. This apparatus will replace old Engine 2 (1984) and Rescue 5 (1988), and is equipped with a 1,500 gallon per minute pump, 1,000 gallons of water with a custom 5 man cab. The onboard generator will power Jaws of Life and the truck will carry all of the rescue equipment for the Engine Company as well as a full compliment of firefighting tools. Engine 2 will be in service at the beginning of 2019 with a wetdown ceremony to be held in the spring.

This has been a busy year, with our members responding to 141 calls. The department was inspected by the Maine Department of Labor SafetyWorks again as part of the ongoing SHAPE program. We are pleased to have received passing marks and have been awarded another 4 years of being in the program. According to the Department of Labor’s website, “The Safety and Health Award for Public Employers” (SHAPE) recognizes public sector employers who maintain an exemplary safety and health management system. Acceptance into SHAPE by the Maine Department of Labor, Bureau of Labor Standards, is an achievement that distinguishes your organization as a model for workplace safety and health. Upon receiving SHAPE recognition, your worksite will be exempt from programmed inspections during the period your SHAPE certification is valid.” Maintaining this level of programs and safety record is a very involved process and takes the dedicated effort of many of the officers and firefighters.

I would like to thank our firefighters and their loved ones for their dedication to the Town this year. If you see a firefighter or one of their family members in public, please thank them for their commitment and work to keep the Town safe. It is a true commitment from our firefighters to provide the fire, public safety and rescue services to the community. This duty takes considerable time away from family and loved ones, and the families make equal contributions towards this effort. I am especially thankful for the support of my wife, Kristen and sons Matthew and Thomas.

Officers of the Massasoit Engine Company for 2018

Chief / Foreman	John C Roberts	Deputy Chief	James Hall
1st Assistant Chief	Jon Pinkham	2nd Assistant Chief	Joshua Pinkham
Foreman of Pumpers	Robert Genthner	Training Officer	Christopher Hilton
Treasurer	William Brewer	Clerk	Steve O’ Bryan
Trustees (3)	Frederick Brewer	Jon Knof	Dan Pinkham
Safety Officer	Jon Knof		

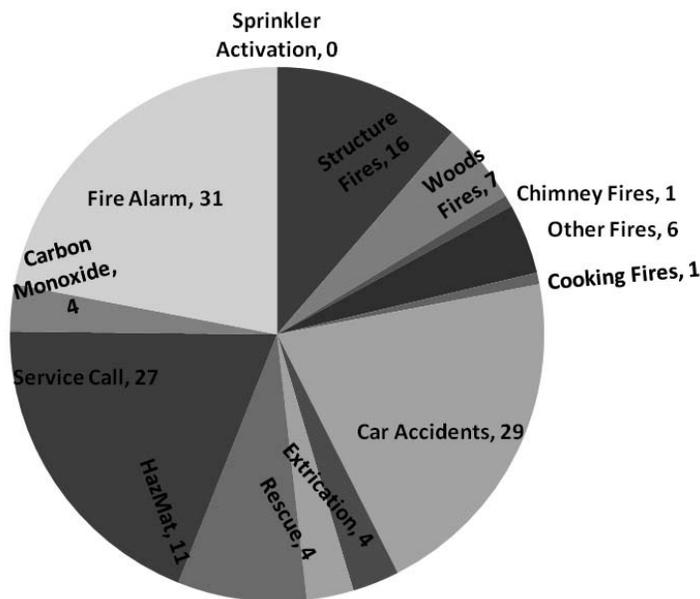

2018 Fire Calls – 141 Total

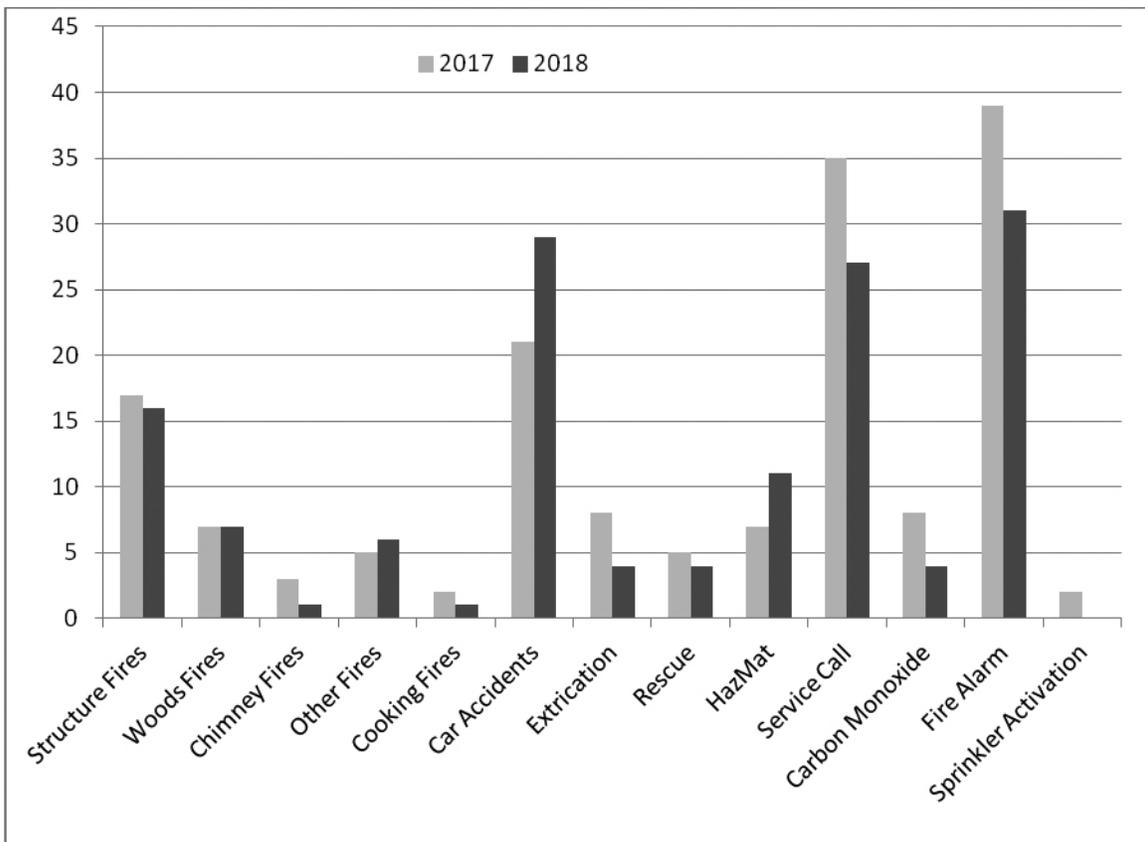

Structure Fires: 16
 Woods Fires: 7
 Chimney Fires: 1
 Other Fires: 6

Cooking Fires: 1
 Fire Alarms: 31
 Carbon Monoxide Calls: 4
 Car Accidents: 29

Service Calls: 27
 Haz-Mat Calls: 11
 Rescues: 4
 Extrication: 4

The call breakdown is shown graphically to the right. Responses to fires made up close to a quarter of the calls. A breakdown of calls compared to last year follows.

The Engine Company spent 1,119 hours responding to calls and spent 818.75 hours training for a total of 1,937.75 hours focused on preparing and responding to emergencies in the community.

Road Commissioner

The following report is for the year 2017-2018.

❖ **Riverside Park:** Three 6-foot picnic tables were added and the DRA kiosk was installed.

❖ **Paving & Repair Projects:** Removed seven one-ton loads of sand from Vine Street, which allowed the Highway Department staff to uncover the old sidewalk. Shoulder work was done on Hammond Street, Oak Road, and Belvedere Extension to prepare for overlay. Elm Street was paved and culverts were replaced on High Street, Church Street, and Brook Lane. Paving was completed on Oak Road, part of Church Street and Hodgdon Street. Clean up after the October 31 storm was made easier by using the new grapple bucket.

❖ **New Equipment:** New F550 truck, which includes a new plow and spreader.

❖ **Weekly Tasks:** Some of the department's tasks are emptying the fifteen trash bins located around town; mowing lawns at the town office, Riverside Park, and the fire station; helping out at the cemeteries; sweeping the roads; fixing sign posts; putting the pump station in and keeping it pumped; painting crosswalks and intersections; checking and maintaining drains and culverts; and maintaining Biscay Beach.

❖ **New Street Signs:** The Department will be putting new signs up in early spring.

❖ **Upcoming Projects:** Mill and overlay on Church Street, shim, and overlay on Belvedere Extension and Hammond Street. Preparing Pinkham Road for asphalt and changing out cross culverts on Belvedere, Egypt and Lessner Roads. A drainage problem between Church and Vine Street has been identified. The town is going to move forward with a survey and contract for engineering services to repair it.

❖ **Future Projects:** The Highway Department is continually evaluating potential areas that need attention. Drainage repair is needed on Water Street/Cross Street and Hodgdon Street. Culverts located on Egypt and Pine Ridge Roads need replacing and ditching/shoulder work on Lessner Road. Belvedere and Egypt Roads are in need of asphalt.

New truck

Demolition of the barber shop

Respectfully submitted,
HUGH PRIEBE
Road Commissioner

Great Salt Bay Sanitary District

Great Salt Bay Sanitary District (GSBSD) is a publicly owned, quasi-municipal utility organized to provide safe drinking water in Damariscotta and Newcastle, and to provide wastewater treatment services in the Towns of Damariscotta, Newcastle, and Nobleboro. The District currently has 713 water customers and 1,428 wastewater users. Scott Abbotoni is the Water Division Manager and LeeAnna Libby is the Wastewater Division Manager.

Our mission is to provide safe drinking water, adequate fire protection and effective wastewater treatment. The District is committed to public health, customer service and environmental protection.

The Drinking Water Division's water supply is "Little Pond," a pristine 77-acre spring-fed pond with an ultraviolet light water treatment system as a primary disinfectant and Sodium Hypochlorite as a secondary disinfectant.

The Welton Tank on Standpipe Road in Damariscotta and the Academy Hill Tank in Newcastle feed the Twin Villages water for fire suppression and quality drinking water.

In 2017 the Water Division replaced 1,600 feet of 120-year-old cast iron pipe with new 8-inch H.D.P.E. pipe from Main Street to Lewis Point Road. This will help with water quality and increased fire flows throughout the water system.

The Wastewater Division's treatment facility for Damariscotta and Newcastle consists of three aerated lagoons with a capacity of eight million gallons.

The lagoons were cleaned, the aeration system was upgraded and the lagoon liners were inspected in 2012.

In 2016 a long needed upgrade to the Main plant's electrical and blower system was finished; these improvements will save on power and future repairs.

The Damariscotta Mills area of Newcastle and Nobleboro has a small sand filter fed by septic tanks which are maintained by the District.

The Great Salt Bay Sanitary District's operations are carried out by five full-time employees and are overseen by an elected six-member Board of Trustees. Representing Damariscotta are William Brewer, John Gallagher, and Raymond McConnell. Newcastle Trustees are Alan Ray and Clayton Huntley and representing Nobleboro is Robert Whear. The Trustees meet the second Wednesday of each month at 5 p.m. at the District office located at 121 Piper Mill Road in Damariscotta. The public is encouraged to attend.

Office hours are; Monday – Friday 7:00am -3:00pm, for more information, please contact our Water Division at 563-3010 or our Wastewater Division at 563-5105.

Respectfully submitted,
SCOTT ABBOTONI
Water Division Manager
LEEANNA LIBBY
Wastewater Division Manager

Nobleboro/Jefferson Transfer Facility

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2018 our household waste, construction, demolition and bulky waste all went to Waste Management in Norridgewock, Me. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazard waste (televisions, computers fluorescent light bulbs, mercury switches and rechargeable batteries).

I would like to recognize our employees Barry Howell-Manager, Brandon Achorn-Assistant Manager, Linwood Rideout and Glenn Daiute transfer station attendants. They do a great job in keeping the facility clean and organized. You will see them out and about helping people with their trash and encouraging people to recycle anything they can. I hope they make your trip to the Transfer Station a positive experience

In 2018 we lost some of the market for some of the plastic to be recycled. Now we can only accept #2 plastics and rigid plastics. We do have programs for recycling paint, food, waste (organic), metals, electronics, paper and cardboard.

The outlook for 2019 is to continue our efforts to recycle as much as possible. We would like to see more people separating their food waste so we can compost this. It would take a lot of weight out of our mainstream waste. Everything you recycle helps reduce the amount it costs to put items into the mainstream trash.

For 2019 we were able to hold the cost of the five towns the same as in 2018. With the way the economy is I feel Barry has done a great job in keeping the budget to a 0 % increase. This in return is a help to all towns.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in an effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,
RICHARD SPEAR
Transfer Station Agent

Skidompha Library

Annual Report – 2018 – Damariscotta

Because of your continued generosity and support, many Damariscotta residents enjoyed all Skidompha Library has to offer. At the end of 2018, over 1,600 Damariscotta individuals had library cards.

In the last year your library...

Provided meeting, performance, and fundraising space to more than 50 organizations monthly

Presented Chats with Champions and a film series to a combined audience of nearly 1,500

Assisted researchers more than 1,100 times in our Genealogy Department

Engaged with local teens by providing a dedicated teen room and offering programs suited to their needs

Hosted exhibitions for 17 emerging artists in our atrium and in our Carey Art Gallery

Modeled the importance of philanthropy to 270 young readers during our Summer Reading Program (CHIP received over a half a ton of shingles and nails thanks to this effort!)

Listened to your suggestions and continued OWL, our online radio station, to provide programming for people at home (we've had 14,854 listens...and counting!)

Stepped out on a limb to bring you cutting edge programs like Gizmo Gardens, the STEM program for future engineers

Continued to provide literacy programs for learners of all ages, as well as foreign language lessons

Gave a sense of purpose to volunteers of all ages, totaling over 10,000 donated hours (for which we are so grateful!)

Of course, we also circulated items over 100,000 times, including large print books, audiobooks, films, 3 different museum passes, a ukulele, and a telescope! We did all of this while remaining a fiscally sound, friendly, and welcoming non-profit.

With appreciation,
PAM GORMLEY
Executive Director

Lincoln County Television (LCTV)

To the Damariscotta Board of Selectmen,

The LCTV community would like to express our heartfelt appreciation for your continued support of the television station, media center and our important mission. Your support and funding, along with Alna, Edgecomb, Newcastle, Nobleboro, Waldoboro and Westport Island, enable us to continue and improve our overall mission of showcasing town meetings, committee meetings, current events, local history, political changes, senior issues and educational successes. Essentially you are ensuring that local socially active organizations and voices are being heard.

The past several months at LCTV have been transitional due to the sooner-than-expected resignation of our Executive Director, Abby Ingraham. This change was offset by the addition of five new energetic local members to our Board of Directors.

LCTV's Board of Directors has established several important priorities for 2019. They are:

- The long overdue installation of an emergency-backup generator
- Upgrading our computers, equipment and computer software
- The continued creation of locally produced quality broadcasting
- More onsite live broadcasting of public events and celebrations

After several years of flat funding, your generous 2018 increase was key in helping LCTV achieve several important goals this past year. Because we understand how economically difficult times are, we are not requesting an increase this upcoming year. More importantly we are requesting your continued support which will enable us to expand our involvement in the communities we currently serve.

To this date we are still unable to obtain any accurate subscriber figures from the Spectrum Cable company. We have been repeatedly notified that municipalities can formally request figures from Spectrum when needed.

We look forward to working with you in the future as we continue to showcase Damariscotta's town government, wonderful history and community events.

STEPHEN J. POPP
Executive Director LCTV

Pemaquid Watershed Association

Pemaquid Watershed Association (PWA) has been conserving the natural resources of the region through land and water stewardship and education since 1966. PWA is dedicated to the continued programming and services it provides to all the citizens of Damariscotta, concentrating on land conservation, accessible trails, water quality and education.

Over half of Damariscotta is in the PWA focus area in the 47-square mile Pemaquid River watershed. This includes Paradise (Muddy) and Little Ponds and portions of Biscay and Pemaquid Ponds which are important to Damariscotta's quality of place, as well as to quality of life. As a land trust, PWA provides public access to trails, open space, and shorefront on nature preserves, including Doyle Preserve in Damariscotta, which provides 16 acres of woodland and protects 1,200 ft. on Pemaquid Pond.

In 2018, the PWA programs which impacted Damariscotta included:

- Water quality monitoring at Biscay Beach as a service to the Town of Damariscotta for safeguarding the health of swimmers and protecting environmental quality in the river system and connected ponds.

- *LakeSmart* Program, which provides free technical assistance to residents on Biscay, Paradise, and Pemaquid Ponds about property care best management practices to prevent lake shore erosion and to safeguard water quality.

- Courtesy Boat Inspection (CBI) program at the Biscay Beach boat ramp and Pemaquid Pond boat ramp to educate boaters and to minimize the risk of spreading invasive aquatic plants through the system.

- Offering Damariscotta residents boating and fishing regulations, boating safety material, lead tackle exchange and loon habitat information. Also providing this information at "PWA Ponders" gatherings, annual public get-togethers of Damariscotta pond side land owners to share concerns and updates about conservation efforts related to the ponds.

- Free guided paddle trips on Pemaquid and Biscay Ponds and others on the Pemaquid River system with the PWA Paddlers from May through September.

- Litter and pollution prevention including clean-up days on and around the ponds.

- Invasive aquatic plant paddle citizen scientist training on Pemaquid Pond.

PWA will unify with Damariscotta River Association (DRA) in 2019 to become a stronger conservation organization with a new name. The unified land trust will honor the natural ecosystems of our community and will pursue the protection of land and water resources. We will continue to proudly serve the citizens of Damariscotta with nature preserves to enjoy and educational outreach programs to enlighten; all to protect the health of our environment and the quality of life for residents and visitors. We will remain committed to keeping the land and water of our region healthy.

View of Pemaquid Pond from Doyle Preserve

Damariscotta K-12 Education

Kimberly Schaff, Principal, Great Salt Bay Community School
Craig Jurgensen, Superintendent of Schools, AOS 93
Angela Russ, Chair, Damariscotta School Board
Stephanie Nelson, Chair, Great Salt Bay CSD School Board

Damariscotta, Grades 9-12

Looking back at 2018 (particularly as your new school superintendent), I am reminded that our schools must always be looking forward as we prepare our students to be “21st century learners” with the promise of understanding and addressing their aspirations, as well as making them “future ready” lifelong learners. We know that critical thinking, cooperation, communication, and creativity are essential for our students to succeed. To ensure our instructional practice includes these foundational skills, teachers at all levels and throughout all of our schools continually review and revise their curriculum and teaching practices. To oversee and coordinate this important work, the AOS hired Ann Hassett as Director of Curriculum, Instruction, and Assessment. Ms. Hassett also coordinates and oversees several state and federal grant programs and is instrumental in our transition to a robust standards-based reporting system. Additionally, Ann has reached out to, and been well received by, the staff and administration at Lincoln Academy. Fostering this relationship is critical to ensure curriculum articulation and an appreciation of the work done by GSB staff to prepare all students for success in high school. Ms. Hassett was most recently the Nobleboro Principal. She brings a wealth of experience in educational leadership, curriculum, and instruction to this important position.

In the past year there were 93 Damariscotta students attending secondary school programs. These included Lincoln Academy, Wiscasset High School, Camden Hills High School, Carrabasset Valley Academy, Waynflete School, Maine Virtual Academy and Kents Hill School.

School budgets provide the backdrop for telling the story of every school. How a school appropriates and uses its available funding translates to and defines what is important to the administration, teachers, support staff and the community because it represents what these groups want and need to provide for their students. Budget preparation is a complicated process. From one budget year to another, school administrators work with local officials and community members to ensure that each school budget is adequate, equitable, and predictable and that it is developed with input from all stakeholders in a clear and transparent process. School Board members Angela Russ, Josh Pinkham, and Kate Katelin have been instrumental in this work and support the interests of all students and community members.

Our work together in the schools and communities is complex, sometimes challenging, and yet unquestionably essential and rewarding. Together we make a positive difference in the lives of our students, their families, and the communities in which we live and work. We are increasingly coming together as a learning community to engage in expanding our shared commitment for improving the education we provide to our children. I encourage you to visit the AOS 93 website (www.aos93.org) for current news and information about our students and school activities, as well as school policies, School Committee meeting agendas and minutes. This website will also provide you with links to individual school websites and to useful information from numerous resources. Whenever you have a question or wish to become involved in your community school, please call me or a member of the Damariscotta School Board.

Great Salt Bay Community School Grades K-8

Great Salt Bay Community School is a K-8 grade school serving the children of Bremen, Damariscotta, and Newcastle. The mission of the school is to provide a nurturing, safe, and enjoyable environment in which all children are challenged and inspired to pursue excellence in all aspects of their education.

At all grade levels our learning curriculum is guided by the Maine learning standards. As described by the Maine Department of Education, these “academic standards provide a set of clear expectations as to what students should know, understand, and be able to explain as they progress through each K-12 grade level.” These standards include: English language arts, mathematics, science & technology, social studies, health & physical education, and visual & performing arts. In order to ensure the quality of our educational program, our students in grades 3-8 participate in the Maine Educational Assessment (MEA). Consistently, our students have performed above the state average in the areas of reading and mathematics at almost all grade levels. On the science MEAs, our fifth and eighth grade students performed well-above the state average.

Seeking to provide our students with an enriching, vibrant, 21st century education, our teachers and staff supplement the classroom experience with outdoor and environmental educational, visiting educators and field trips. Some of the visiting educators have included Mary Cerrullo (3rd grade oyster program), Tim Dinsmore (7th grade archaeology unit), Sarah Gladu (DRA - environmental education), John Meader (myths & astronomy), Belinda Ray (5th grade writing program), and staff from Chewonki and Darling Marine Center. Our students participated in numerous field trips to places like Biscay Orchards, Camden State Park, Farnsworth Art Museum, Maine State Museum, Maine Wildlife Park, and Old Fort Western.

Great Salt Bay School recognizes that co-curricular and extracurricular programs are an integral part of the total educational program. The co-curricular programs include debate team, drama club, jazz band, math team, robotics club, student council, and yearbook. Our student athletes can participate in archery, basketball, cheerleading, cross country, field hockey, golf, soccer, softball, and track & field. In all of these sports, students have the opportunity to develop good sports skills and attitudes while playing against other schools in AOS 93, as well as the other schools in the Busline League.

Throughout the year the school hosts a number of events to strengthen the sense of community within the school and with the families of GSB. In the fall we gather together for our Open House and PTO-sponsored Welcome Back Dinner, the Harvest Fair, and parent/teacher conferences. In the winter we showcase our music and arts programs with the Winter Band and Choral Concerts, the Beginner Band Concert, the Strings Concert, and the Young Artist Showcase. In the spring we encourage families to get involved in Unplug It Week, the Bike Rodeo, spring concerts, and finally our 8th grade graduation.

Recognizing the importance of connecting our students to their community, our school has built strong community educational collaborations. These include the Darling Center, DRA, Farms Kitchen, Hidden Valley Nature Center, Camp Kieve, Miles of Friends, Skidompha Library, the Twin Villages Food Bank and the CLC YMCA. Moreover, we pride ourselves in our efforts to give back to community. Each winter our school community sponsors a food drive, GSB Cares-A-Ton, which helps our local food pantry. These experiences enrich the lives of all those involved, especially our children.

Finally, Great Salt Bay Community School is fortunate to have an active PTO. The mission of the PTO is “to act as an organization that supports GSB students in their many activities and provide assistance to GSB staff in their numerous programs.” The PTO organizes fundraisers,

including a Jog-a-thon in September, with all proceeds benefiting the school in the form of school-wide cultural events, classroom tools, student scholarships, and extracurricular events. The PTO provides parents the opportunity to learn more about what goes on at GSB, as well as information on issues and topics that are important to parents and students. In addition to the PTO, the school community benefits from the Friends of Great Salt Bay. This non-profit organization is specifically dedicated to supporting our school with a mission to “Enhance the Education of GSB students.”

Each year the Great Salt Bay Community School strives to make the educational experience stronger for its students. Our goal is to “Be Better Than Our Best.” Our students are blessed to live in a community that recognizes that supporting its public school is one of the most important investments of all. Together we are making our future stronger as a community and as a nation by educating our children. Thank you for your support of Great Salt Bay Community School.

Central Lincoln County (AOS#93) Adult and Community Education

CLC Adult & Community Education provided services to over 850 people in 2018. We offered the HiSET (formerly GED) high school equivalency diploma program, basic literacy & math instruction, college preparation classes in mathematics and English language arts, college placement testing, college and career advising, medical certificate programs (in partnership with LincolnHealth) and community enrichment classes for all ages. Except for our community enrichment classes/courses, all of our programs and services are free to students.

During the 2017-2018 school year, we had 28 students enrolled in our high school equivalency program. Before the year was out, 11 of them completed the program and earned their diploma. A graduation ceremony was held on May 31st that celebrated the commitment and efforts of these remarkable honorees. We hope to expand our hours of operation to include summer programming in 2019. This will enable students to stay engaged and on track with their goals throughout the summer months. Anyone who is 17 or older and out of high school and who wants to earn a diploma or improve basic skills should contact us to explore options and develop a plan. Our dedicated staff is ready and eager to provide support and encouragement to help our students reach their goals.

During the 2017-2018 school year, 36 people accessed our college transition courses and services. Anyone seeking support in navigating the college transition process, in meeting the academic placement requirements for college acceptance, determining college and career goals, or understanding and completing college related paperwork should contact us. Our college transition coordinator and instructional staff are ready to help!

Approximately 800 community members accessed one or more of our low cost, high impact community enrichment offerings in 2017-2018. Our partnership with the RSU 40 Adult & Community Education Program enables us to provide a single point of access for information about classes throughout the Lincoln County area. From creative writing classes to crossbow safety, from a field course in old barns to learning to make homemade pasta, from pottery, dance and music courses to free classes about retirement health care options and resume writing, your Adult & Community Education program provided approximately 200 enrichment classes to the residents of the Lincoln County area.

I have now served a full year as your new Director and can honestly say that Adult Education makes a difference! A BIG difference! The students who seek our services have come to a place in their lives where they are seeking something more – a high school diploma, a college education, assistance with determining the best career path for their individual strengths and needs, or support with navigating the complicated waters of financial assistance. They have hopes and dreams – the desire for a better life for themselves and their families. Without our support, those dreams might simply remain dreams that never get realized. Adult Education helps make dreams come true.

For more information about any of our programs, please visit our web site: <http://clc.maineadulted.org> or call us at 207-563-1403.

Respectfully submitted,
PAMELA J. SPERRY
CLC Adult Education Director

Lincoln Academy

To the Residents of Damariscotta:

Greetings from Lincoln Academy, where our second trimester is in full swing. Classes are about halfway through their academic year, and winter sports season is at its peak. My name is Nancy Starmer, and I am currently serving as Lincoln Academy's Interim Head of School. After working for many years first as a public school teacher, then as an independent school teacher and administrator in Massachusetts and Pennsylvania, I came out of retirement to serve as a consultant and now Interim Head at LA. The experience has been fascinating and rewarding. This is a wonderful school, full of dedicated teachers who are not only committed to serving our wide range of students well but who are also active citizens of their local communities. Those connections, and the clear investment the local communities have in the success of our school, are qualities I've come to appreciate most about Lincoln Academy. Students, faculty, staff, alumni, and parents share a deep love for this place, and that shines through every aspect of the school.

Our biggest news of 2018-19 is that after an extensive national search the LA Board of Trustees has hired Jeff Burroughs to be Lincoln Academy's next Head of School. Jeff, who is currently the Assistant Head of School for Academics at St. Johnsbury Academy in Vermont (also a Town Academy) will take the reins on July 1, 2019. Before moving to St. Johnsbury, he and his wife Melissa spent several years at the Hyde School in Bath. Thanks to these roles Jeff has experience in both the Town Academy model and life in midcoast Maine, and all are looking forward to having him here at LA.

In the meantime, we are having a full and active year. In September we welcomed a large freshman class of 151 students from 21 sending towns and 14 countries around the world, bringing our total student population to 560. Our new students came in on a high note: 2018 was an excellent year for LA sports, arts, academics, and extracurriculars. The girls tennis team won their first ever state championship, and the boys lacrosse and boys cross country teams were both state runners up. Many teams were also honored with Good Sportsmanship Awards this year, demonstrating that LA athletes continue to uphold a tradition of excellence both on and off the field.

LA students also excelled in the arts in 2018, and this year continue to do so. The Wind Ensemble won Gold at New York City's WorldStrides Heritage Festival in April, and 67 student musicians this year--a record number--have qualified for District, All-State, and All-State Jazz Honors Festivals. Though the 2019 season is just beginning, LA's theater program has won the Regional One Act Competition 11 out of the last 12 years, including in 2018. In visual arts students have over a dozen courses to choose from in drawing, painting, ceramics, metal sculpture, printmaking, and more, and in June 2018, as in previous years, a significant number of graduating seniors continued on to major or minor in visual or performing arts at universities, art schools, and conservatories.

Each year more than 150 students take at least 1 AP course at LA, many taking multiple courses and sitting multiple exams. 2018 was no exception. Our teachers mentor students wishing to do independent studies in a wide variety of subjects. This year independent studies include sustainable agriculture; multivariable calculus; bassoon, piano, and a number of other instrumental studies; journalism; woodworking; and physics. About half of LA students participate in at least one sport and many are two- and three-sport athletes. Other extracurricular activities include State-Champion Debate and Math Teams, Model United Nations, Outing Club, Special Olympics, and a wide variety of service and student-interest clubs.

Our residential program has brought students from the US and the world to the LA dorms and added significant geographic diversity to our student population. This has been apparent in every

aspect of school life, from class discussions to celebrations of world holidays. Our international students benefit tremendously from their experience at LA as well, enjoying the beauty of the area, making friends with local students and being invited into their homes, volunteering at Pumpkinfest (a true cultural experience!) and sharing Thanksgiving with the staff at Camp Kieve.

Though our student population has changed over the last six years, Lincoln Academy remains deeply rooted in the local community. At LA, we are committed to providing a top-notch education for all students who come through our doors, whether they take vocational or Advanced Placement courses, participate in one of our Alternative Education or special education programs, or a combination of the above. This I hope is evident in the variety of paths our graduates choose after LA. In the Class of 2018 there were 139 graduates, 96 of whom went on to four-year colleges, 13 to two-year educational programs and community colleges, 28 of whom went straight into the workforce, and 2 of whom joined the military.

Along with our academic, athletic, arts, and extracurricular programs, we continue to uphold many long-standing traditions that some of you probably remember from your days as students or parents at LA: every Friday we gather for an all-school Community Meeting in the gym. Students meet daily with the same academic advisor during all four years at LA. We held our annual Homecoming celebration in September, complete with the parade through downtown Damariscotta, and as I write this letter we are planning for our 2019 Winter Carnival in February.

We are deeply appreciative of the support of local sending towns. Your children are the lifeblood of Lincoln Academy. Please know that you are always welcome to attend a sporting event, concert, or Parents' Association meeting, or to stop by for a tour. We invite you to follow Lincoln Academy News on social media if you would like to know more about day to day activities on our busy campus.

Thank you for being part of a long tradition of independent education at Lincoln Academy.

Sincerely,
NANCY STARMER
Interim Head of School

Planning Board, Planner & Land Use Advisory Committee

The Land Use Advisory Committee (LUAC) and the Planning Board have accomplished much in the past six months in proposing updates and improvements to Damariscotta's development ordinances. The Board of Selectmen previously approved a new formatting template for all ordinances. This resulted in the Land Use Ordinance being reformatted to be consistent with the new ordinance format. In addition, permitted and conditional uses and dimensional requirements were reorganized into tables to improve readability and utility. The next step will be for the LUAC to update the use table and performance standards to provide for better guidance of new development in the community.

The subdivision ordinance has been in need of updating to better address new trends in residential development and to encourage projects to be more compatible with the community's historic pattern of development. The LUAC completed work on a new subdivision ordinance that incorporates open space subdivision (OSS) provisions and more comprehensive submission requirements and development standards. The OSS provisions in particular are intended to encourage a new direction in land development in Damariscotta by offering incentives to developers to be more innovative in project design. While developers will still be able to pursue traditional subdivisions, they will do so without incentives and without Planning Board approval of some of the waivers typically approved in the past.

The LUAC has also completed updates to the Site Plan Review Ordinance. These include revisions to application procedures, enhancements to some performance standards, model site plan and grading and utility plan graphics, a list of native shrubs and trees and an application procedural flow chart and time line.

The Planning Board will hold public hearings on all three ordinances on May 6, 2019 in anticipation of them being placed on the warrant for the June 12, 2019 Town Meeting.

Respectfully Submitted,
BOB FAUNCE
Town Planner

*Town report submitted by Treasurer

Town Manager

This report, along with the reports from the Town department heads, provides a summary of your Town government's accomplishments and activities during the past year. Those of you who have stayed current with Town news through the Town's email newsletter, the website, The Lincoln County News, and LCTV are already well aware of what a busy and productive year we have had.

Just like in any democratic institution, the progress that we make has a lot to do with discussion, compromise, and the demands from all of those to whom we report and those we serve. There were a number of disappointments that we experienced during the past twelve months. The Bristol Road sidewalk project continued to be delayed because of issues beyond our control. The Stepping Stone organization's much-needed redevelopment of the Blue Haven property was stopped because of an appeal based on a technical issue that caused the Board of Appeals to reject the approval of the project by the Planning Board. And, the 435 Main Street Development was delayed for a year because of a court appeal that was filed but never diligently pursued. The resulting temporary halt to construction pushed back the economic benefits that the community would have had, cost the Town several thousand dollars in legal fees and delayed an additional tax revenue stream that will eventually reduce the Town's dependence on our residential tax base.

The positive events of the year certainly outweigh the disappointments. I have once again structured this report using as a reference point the work plan and goals that the Board of Selectmen adopts each year. The nature of local government is such that, without a specific set on goals on which to focus, our work days become consumed with a series of day-to-day requests and routine job tasks.

Financial Sustainability

Town Investments- Last fall, the Town requested informal proposals for banking services from each of the five banks with offices in town. After a thorough review, The Financial Advisory Committee recommended and the Board of Selectmen approved a contract with Damariscotta Bank and Trust. As a result of the competitive local market and the uptick in the Fed rate, the Town is benefiting from a significant increase in the interest income revenue generated from its bank accounts. Dividend income from the Town's trust funds continued to generate high returns due to the Town's ability to invest in equities through a professional fund manager.

Town Debt- In October, the Town made its last payment on the 2014 loan for the purchase of a fire truck. The debt decreased from approximately \$455,000 to just under \$322,000. To the extent possible, the Town keeps its outstanding debt low by setting aside reserves each year for future large expenditures for equipment and capital projects.

Grants and Donations- A total of \$385,200 has been donated for the Town's downtown restroom. The Town received a State grant for \$17,300 for this project and the balance of \$161,000 is being paid by taxpayer dollars. The Town is also the beneficiary of another \$950,000 donation that will be used towards the reconstruction of the Waterfront parking lot and storm drainage system.

Other grants that the Town received included a \$50,000 grant for a pre-kindergarten program at the YMCA. The Town was previously awarded a grant for the design of Biscay Beach Park improvements for \$3,250. Unfortunately, the consultant who was tasked with this project was not able to complete it by the deadline in the funding criteria. The Town will need to reapply for these funds this spring.

With the increase in estimated cost for the Bristol Road Sidewalk and Drainage Project, the Town needed to apply for additional Federal and State funds. This past fall, the Maine Department

of Transportation received word that the additional funds had been approved. The total Federal and State share of the project is \$884,000 with a Town match of \$221,000 for a total estimated project cost of \$1,105,000.

Infrastructure

Much of the pre-construction work needed for the Bristol Road Project is now being completed. All of the necessary right-of-way agreements from abutting properties has been finalized, and Central Maine Power has moved all utility poles and is completing the transfer of utility lines. At the Town's request, the State completed some paving of the soft shoulder of Bristol Road from Miles Street to the Town line.

Further upgrades were made to Riverside Park with the construction of an educational placard by the Damariscotta River Association and a "Welcome to the Twin Villages" sign purchased with a grant from the Edward Myers Fund.

The Town took some major steps towards finally having a public restroom downtown. The former barbershop was purchased and the dilapidated building demolished. A fundraising effort led by a local business leader and approval of additional public funding will allow the construction to take place later this year.

Environmental Stewardship

After a series of community conversations and public hearings, the Selectmen and Town staff completed a draft on an ordinance that bans the use of single-use plastic bags. Voters approved the ban by 692-509 in last November's election.

The Town continues to make progress on finding a contractor to install a solar array at the Town's former landfill site at Biscay Road and Standpipe Road. If current plans come to fruition, the energy produced at this solar facility will offset the cost of electric energy consumption at all Town buildings.

Economic Development

Our downtown area continues to flourish. The Town's focus continues to be on maintaining and improving the public infrastructure that supports the vitality of this historic district. Although they were not without controversy, the Sherwin Williams/Dollar General development was completed and the 435 Main Street development has just begun to move forward following the conclusion of the court case mentioned earlier in this report.

Intergovernmental Connections

The Town has become an active member of the Maine Service Center Coalition. Although we are the smallest town in the State that meets the criteria for a regional service center, we have a lot in common with larger municipalities that provide infrastructure and services for an area much larger than their geographic boundaries.

The Town maintains an excellent working relationship with Federal and State elected officials and their staffs. During the past year, Town officials were able to participate in two meetings with Senator King.

Largely through the efforts of the Town's Emergency Management Agent Steve O'Bryan, the Town was able to obtain Federal payments for losses that resulted from the October 2017 windstorm. More than \$14,000 was received by the Town for losses within the Town cemeteries and for labor costs incurred by the Public Works Department.

Representatives from Damariscotta participated in a series of meetings and in the development of findings regarding future improvements to the Route

Matt Lutkus and U.S. Senator Angus King

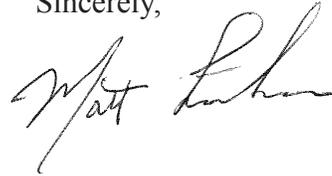

129 (Bristol Road in Damariscotta) and Route 130.

Damariscotta entered into an agreement with the Town of Waldoboro for sharing the salary and benefits for a full-time Code Enforcement Officer. The Town continues to share the management of shellfish resources and harbor moorings with the Town of Newcastle through interlocal agreements and oversight by two joint committees.

Although it does not fall into any goal category, the legalization of adult-use (recreational) marijuana and the preparation required to regulate the Town's licensing and zoning of commercial marijuana establishments consumed a considerable amount of my time during the past year. The Board of Selectmen is currently in the process of preparing draft ordinances on both medical marijuana and adult-use commercial establishments. Citizens will have the opportunity to provide feedback to the Selectmen and to the Planning Board on these drafts. A vote on the final version of the proposed ordinances is expected later this year.

I continue to appreciate the opportunity to serve the citizens and businesses in Damariscotta. We have many opportunities and challenges as a regional service center community. I would like to thank the members of the Board of Selectmen and the hard-working and dedicated employees in all of the Town departments for their outstanding work this past year.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Lutkus". The signature is written in a cursive style with a large initial "M" and "L".

MATT LUTKUS, Town Manager

Town Manager's Budget Message

Dear Damariscotta Taxpayers:

Included in the Annual Town Meeting Warrant is the Board of Selectmen's and Budget Committee's recommended Town Budget for Fiscal Year 2020 (July 1, 2019 to June 30, 2020). If approved at the June 12 Annual Town Meeting, there will be minimal change in the 4.67 mil rate for Town Government. The other budgets that determine the FY 2020 property tax rate are the budgets for education (10.28 mils or 63.05 percent of the total property tax in FY19) and the County Assessment (1.35 mils or 8.3 percent of the total property tax in FY 19). The total property tax mil rate for FY 19 is 16.3.

You will see that the overall recommended budget increase is 4.87 percent over the FY 2019 approved budget. Due to increase in revenue from other sources and the fact that this percentage includes increases in non-general fund budgets, the revenue that will be needed from property tax is projected to increase by 1.1 percent. Note that the only portion of the education budget included in the Town Manager's proposed budget is the amount that is requested for adult education. School District administration, secondary and primary school budgets are submitted to the Town Meeting legislative body separately. The recommended budget does not include the overlay that the Board of Assessors will determine as part of the Tax Commitment in July.

Under the revenue section of the budget, revenue sharing has been budgeted at \$145,000 based on a projection of revenues in the Governor's Proposed Biennial Budget. It is important to point out that for the seventh year in a row, it is anticipated that the Governor and the State Legislature will divert funds from municipal revenue sharing to meet other State budget obligations. If the State had continued to provide revenue sharing contributions at the statutory level, the estimated revenue to the Town would be \$292,500 in FY 2020.

Also, under the revenue section, I am recommending that the Town continue to utilize funds from the undesignated reserves to reduce the amount of a property tax increase for the coming year. The amount carried over from the undesignated fund balance this year is \$150,000. For FY 2020, it is recommended that \$150,000 again be carried over from this fund. At this point, based on the recently completed FY 2018 audit, I am projecting that there will be approximately \$959,235 in the undesignated fund balance in June, 2019 not including the fund balance for the Education budgets.

The major changes are increases in various line items for employee and contract employee compensation, requested increases for ambulance services and the library and increases in expenditures for snow removal built into the recently approved five-year contracts. During the coming year, I am recommending that there be a heavy emphasis on paving projects capital reserves in addition to the continued pre-funding of future capital equipment expenses.

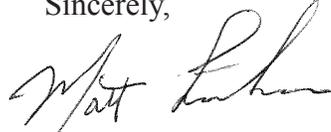

In the proposed budget, we have for the first time separated out the recommended expenditure from the Worthy Poor funds since the revenue source for these payments is the interest earned on five trust funds and not the General Fund. My recommendation is to increase the allocation for Worthy Poor from \$11,000 to \$20,000 because the interest income has far exceeded the amounts we have budgeted in recent years and because there is a need for the increase in funding for individuals and families in our community.

The Town Charter requires that the Manager provide a report of the Town's current indebtedness in this transmittal message. The current debt stands at \$321,864.01 which is roughly \$133,135.24 lower than it was last year at this time. The current debt is comprised of the two bond issues that were approved at a Special Town Meeting in November, 2016.

The service levels that are funded by property tax dollars, fees and grants will continue to provide an aggressive capital improvement program and compensation for a productive and highly committed staff, as well as provide for fixed expenses of which the Town has little control.

I look forward to reviewing the budget recommendations with you at the upcoming Annual Town Meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Lutkus". The signature is fluid and cursive, with the first name "Matt" being more prominent than the last name "Lutkus".

Matt Lutkus
Town Manager

Town of Damariscotta
Warrant for Fiscal Year 2020
Annual Town Meeting
For Period July 1, 2019 to June 30, 2020

LINCOLN, SS

STATE OF MAINE

TO: Jason Warlick, Constable for the Town of Damariscotta, in the County of Lincoln.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Damariscotta, in said County, qualified by law to vote in Town Affairs, to assemble at the Damariscotta Municipal Building, 21 School Street in said Town, on Tuesday, the 11th day of June, A.D. 2019 at 8:00 A.M, then and there to act on Articles 1 and 2.

The polls for voting on Articles 1 and 2 will be open at 8:00 A.M. and will close at 8:00 P.M.

The adjourned meeting to act on the remaining articles in the Warrant will be resumed at the Great Salt Bay Community School, 559 Main Street in said Town on Wednesday the 12th of June, A.D 2019 at 6:30 P.M.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To elect by secret ballot in accordance with the vote of the Town, the following officers:

Two Selectmen/Assessors/Overseers of the Poor (Three-year terms)

One School Committee Member (Three-year term)

One Sanitary District Trustee (Three-year term)

ARTICLE 3. To choose one Cemetery Trustee for a three-year term.

Selectmen nominate: Patti Whitten

ARTICLE 4. To choose three Budget Committee members for three-year terms, one Budget Committee member for a one-year term, one Alternate Committee member for a three-year term and one Alternate Committee member for a two-year term.

Selectmen nominate: Mary Trescot, Richard McLean and Shari Sage for three-year terms; _____ for a one-year term; _____ for the Alternate member three-year term; and _____ for the Alternate member two-year term.

ARTICLE 5. To act on the reports of the Selectmen/Assessors/Overseers of the Poor, Town Manager, Treasurer, Tax Collector, Town Clerk and other officials.

- ARTICLE 6. Shall the Town vote to enact changes to the existing Land Use Ordinance of November 16, 2016? These changes include revising the ordinance to be consistent with the Town-approved ordinance format, conversion of the lists of permitted and conditional uses and dimensional standards into tabular form and an increase in the maximum number of multi-family dwelling units in a single building from 10 units to 32 units. A copy of this proposed ordinance is on file with the Town Clerk and posted with this warrant.
- ARTICLE 7. Shall the Town vote to enact changes to the existing Site Plan Review Ordinance of June 13, 2018? These changes include revising the ordinance to be consistent with the Town-approved ordinance format, revisions to the approval process, requiring a Planning Board public hearing for structures with a minimum 7,500 sf footprint, enhanced vegetative buffering requirements for commercial developments and excavation operations and other revisions and additions. The proposed ordinance also includes three new appendices to assist developers and property owners: an informational site plan approval procedural flow chart and time line, a native tree and shrubbery species list and a model site plan illustrating the major components of a typical site plan. A copy of this proposed ordinance is on file with the Town Clerk and posted with this warrant.
- ARTICLE 8. Shall the Town vote to enact a new Subdivision Ordinance to replace the existing Subdivision Ordinance of June 11, 2014? The current ordinance was adopted in 1989 and has not been updated except for changes made in 2014 regarding post-approval plan revisions and several new definitions. The proposed ordinance aligns submission requirements and review and design standards with state-mandated review criteria, provides the Planning Board with additional guidance during subdivision review and approval, includes an affordable housing requirement for larger developments consistent with the 2014 Comprehensive Plan and provides for reduced submissions and expedited review for minor subdivisions. A new Appendix A provides incentives for developers and property owners to consider an Open Space Subdivision as an alternative to a traditional subdivision, Appendix B, which encourages utilization of Low-Impact Development Standards, and Appendix C, which presents Tree and Shrub Recommendations. Notes and explanations are included throughout the ordinance and Appendix A includes photos and graphics to illustrate open space subdivision concepts. A copy of this proposed ordinance is on file with the Town Clerk and posted with this warrant.
- ARTICLE 9. Shall the Town vote to enact an amendment to the existing Shoreland Zoning Ordinance dated March 21, 2018? The amendment would correct an error in the written description of the Medical District, which inadvertently excludes lot 27 on Map 11 from the Medical District, and to make the written description consistent with the Shoreland Zoning Map, which includes lot 27 on Map 11 in the Medical District. A copy of this proposed ordinance is on file with the Town Clerk and posted with this warrant.

ARTICLE 10. To see what sum the Town will vote to raise and appropriate for GENERAL GOVERNMENT:

ADMINISTRATION:	Board of Selectmen & Budget Committee recommend:	\$404,349

Board of Selectmen & Budget Committee recommend: \$ 22,000

ARTICLE 29. To see what sum the Town will vote to appropriate from the Undesignated Fund Balance to be applied to reduce the FY 2020 tax rate:

Board of Selectmen & Budget Committee recommend: \$ 150,000

ARTICLE 30. To see if the Town will vote to appropriate from the Undesignated Fund Balance to cover the 2018 over-expenditure of \$4,569.26 in the Public Works Budget for Egypt Road Culvert reconstruction.

ARTICLE 31. To see if the Town will vote to set the first business day of October 2019 (October 1, 2019) and the first business day of April 2020 (April 1, 2020) when all 2020 taxes shall be due and payable in semi-annual installments and instruct the Tax Collector to charge interest at 9.00% per annum on all taxes unpaid after said dates.

ARTICLE 32. To see if the Town will vote to authorize the Tax Collector to offer a 2020 Tax Club Plan to taxpayers who enroll no later than July 31, 2019, who pay the total amount of 2020 taxes by monthly payments from July 1, 2019 to May 31, 2020; who abide by the requirements of said plan; who shall receive from the Town, in return for such payments, full credit for such taxes paid without incurring any charge of interest. To be eligible for the Tax Club all 2019 taxes must be paid in full.

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon on such terms as they deem advisable and to execute quit-claim deeds thereon, provided the Selectmen give three consecutive weeks' notice of their intentions to make such a sale through public advertisement in a local newspaper. The property may be sold back to the original owner for all taxes due, plus interest and all costs, without the advertisement requirement.

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to spend funds from various reserve funds as they deem necessary in accordance with the capital improvement program.

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of money, bequests, apply for and accept State and Federal Grants, grants from non-profit organizations on behalf of the Town for municipal purposes, including when necessary, the authority to authorize the signing of grant contracts, accept the conditions that accompany gifts of money, bequests, and grant funds, and to appropriate and expend gifts of money, bequests, and grant funds for the authorized purposes.

ARTICLE 36. To see what sum, if any, the Town will vote to authorize the Board of Selectmen to borrow or appropriate from un-appropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during fiscal year 2020. (Estimated balance on June 30, 2019: \$959,235)

Board of Selectmen recommends: \$ 25,000

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to enter into multi-year contracts subject to annual appropriation at Town Meeting.

ARTICLE 38. To see if the Town will vote to authorize the Board of Selectmen to set the date, hour, and place for the next Annual Town Meeting.

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen to dispose of Town owned personal property, under such terms and conditions, as they deem advisable.

ARTICLE 40. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to expend money for General Assistance as needed.

ARTICLE 41. To see if the Town will vote to accept from the Massasoit Engine Company gifts of money and certain items of equipment to be used for the benefit of the Town and the Massasoit Engine Company.

ARTICLE 42. To see if the Town will vote to re-appropriate money from the sale of Town owned vehicles to the respective departmental vehicle reserve accounts.

ARTICLE 43. To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes not yet committed, and to pay interest at a rate of 0% (zero percent) as a courtesy to taxpayers who wish to prepay some or all of their uncommitted taxes.

ARTICLE 44. To see if the Town will vote to set the interest rate at 5.00% (five percent) to be paid by the Town on prepaid abated taxes pursuant to 36 M.R.S.A 4.00% (four percent) less than the interest rates established by the Municipality.

Given under our hands at said Damariscotta, Maine this 15th day of May A.D., 2019

Independent Auditors' Report

Board of Selectmen
Town of Damariscotta
Damariscotta, Maine

We have audited the accompanying financial statements of the governmental activities and each major fund of the Town of Damariscotta, as of and for the years ended June 30, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Town of Damariscotta as of June 30, 2018 and 2017, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis; budgetary comparison schedule; schedule of expenditures of federal awards; schedule of town's proportionate share of net pension liability; and schedule of town contributions information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Damariscotta's basic financial statements. The introductory section and combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

U.S. Senator

Dear Friends,

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, and their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that’s my job: to listen to you, act where I can to build on what’s good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we’re doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I’ve met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I’ve pushed hard for this type of legislation and was proud to have provisions I’ve advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we’ll keep working to confront this tragic problem.

I’ve also worked to strengthen the future of our forest economy. Maine’s forests have powered our state’s economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That’s why, together with the other members of the state’s Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine’s forest economy, and we’re already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It’s often said that Maine is like a big small town (with very long streets)—that’s because at our heart, we’re one big community. It’s not only a pleasure to serve you– it’s a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,
ANGUS S. KING
United States Senator

U.S. Senator

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

SUSAN M. COLLINS, U.S. Senator

U.S. Representative

Dear Friends,

I hope this message finds you well. I am honored to represent you and your family and am grateful for the chance to offer both an update from Congress and my thoughts on the year ahead.

In Maine, we care less about political parties than about getting the job done. That's why I'm happy to report several recent victories I had reaching across the aisle to address issues important to our state.

Signed into law after months of deadlock, the 2018 Farm Bill contained several provisions I introduced. We were able to boost local food investment and organic research programs that are important to the Maine farmers driving a resurgence in our agricultural economy. The bill also created a pilot program to help doctors write prescriptions and offer vouchers to patients who need to change their diet but can't afford fresh food. Finally, the legislation included several steps I introduced to reduce food waste, a national problem that is not only costly to the environment and economy, but a missed opportunity to help millions of Americans who don't have enough to eat.

At the end of 2018, the President signed into law legislative language I introduced to assist veterans who had been blindsided by debt with the Department of Veterans Affairs. After hearing from several veterans who did not receive mailings about their debt until it was too late to take action, I introduced a bill to require the VA to improve its notification system. The final legislation requires that veterans have the option of getting electronic notifications and that the VA report on the underlying issues.

And on the House Appropriations Committee, I worked to protect programs that our state relies on, such as small business grants, rural broadband investment, effective responses to the opioid epidemic, shipbuilding at Bath Iron Works, and more.

As a new Congress gets underway, I will keep working with Republicans to make progress on key issues like these. But with Democrats now in the majority, I look forward to having an open debate on problems that have been ignored for too long. This includes the gun violence plaguing our nation, the dangers climate change presents to our country, crushing student loan debt, the influence of big money in politics, and the need for all Americans to access affordable health care and prescriptions.

In Washington and Maine, my offices stand ready to answer your questions, listen to feedback, and assist with federal issues and agencies. My hard-working staff helps many hundreds of constituents every year and I welcome the chance to serve you.

Best wishes,
CHELLIE PINGREE
Member of Congress

Governor

Dear Citizens of Maine,

For the past eight years as your Governor, my priority has been to make Maine prosperous. I am proud to say that my administration has had some success, but there is more that can be done.

Mainers experienced strong, record-setting economic growth in 2018, setting so many new records: a record-high number of employers; a record-high number of private-sector jobs; record-high revenues for the state; record-low unemployment; and the fastest net-earnings growth in New England. Our poverty rate declined to the lowest since 2005 with the fewest number of children in poverty in 17 years. Maine's future is the brightest it has been in decades: there are more new businesses, more money in your paycheck, and better opportunities for our children. And that's what it's all about: the future of our state.

We have brought stability to state finances and implemented pro-business, pro-growth policies across state government. The incoming administration is taking on a state government that is vastly improved—both structurally and financially—from the one I inherited. Therefore, I have suggested to the new administration that now is the time to cut taxes by an additional 20 percent.

My administration lowered taxes by 20 percent for more than half-a-million Mainers. Cutting taxes for our families has proven to be an excellent policy decision. Despite this cut, we are seeing higher revenue in almost every tax category—sales and use tax, individual income tax, and corporate income tax. We must always remember that the revenue we receive in taxes is due to the hard work of Maine's people. Democrats stated they want to use surplus money to fully fund revenue sharing at 5 percent, rather than the 2 percent the towns have received for the past 6 years. **However, there is no guarantee your local government will cut your property taxes by one penny—never mind dollar-for-dollar—if revenue sharing is increased.**

The people of Maine and the municipal balance sheets would be better off if the state cut income taxes and allowed municipalities to collect property taxes or service fees from non-profits to supplement the local property taxes. Everyone should contribute to the operation of local community governments.

I encourage you to pay attention to what happens in your municipality and in Augusta. So many good people have worked much too hard to achieve our current prosperity. We must avoid letting politicians drive Maine's finances and its economy back into the ground. I promise you that I will be watching.

Sincerely,
PAUL R. LEPAGE
Governor

State Senator

Dear Friends and Neighbors:

First, let me thank you for reelecting me to represent you at the State House in Augusta. It truly is an honor to serve the constituents of District 13 in the Maine Senate. I am eager to get to work so that Maine becomes an even better place to make a decent living and raise a family. I would like to provide you with a few highlights of the 128th Legislature as well as my vision for the current legislative session.

During my time as a member of the Maine Senate, it has been encouraging to see the significant progress that has occurred. The State of Maine closed the fiscal year that ended on June 30, 2018 with a budget surplus of more than \$126 million and a ‘rainy day fund’ totaling more than \$274 million, allowing our state to have a better borrowing capacity and long-term financial stability. Following years of budget shortfalls and high spending, the significance of these economic achievements cannot be overstated.

Perhaps the most significant action the 128th Legislature took was passing tax conformity. In doing so, we ensured that Maine citizens would not see their tax burden increase as a result of the federal changes to the tax code. Additionally, the tax conformity legislation included a \$300 child credit and increased the property tax fairness credit. Serving as Chair of the Taxation Committee at the time, I was incredibly proud that both sides of the aisle could come together to benefit the people of Maine.

As we head into the 129th Legislature, I have been elected by my colleagues to serve as the Senate Republican Leader. I look forward to listening to all viewpoints and examining critical legislation with a keen eye as we have a responsibility to ensure the best interests of all Maine citizens. I have also been appointed to serve on the Marine Resources Committee, which has jurisdiction over the State’s commercial marine fisheries management, including the processing and sale of marine fish, shellfish and aquaculture. Maine is known around the world for the quality of seafood that comes from our coastline. I look forward to working with my colleagues to promote our marine industry while also taking the necessary steps to protect our natural resources for generations to come.

Thank you again for trusting me to be your voice in Augusta. If you have comments, questions or if you would like assistance with a state-related matter, please feel free to contact me at 287-1505 or dana.dow@legislature.maine.gov.

Sincerely,
DANA L. DOW
State Senator

State Representative

Dear Damariscotta Residents,

It is an honor to continue my service as your State Representative. For the last several years, I have been working hard on your behalf to provide responsive constituent services, be your advocate in state government and advance legislation that improves life in our district and in our state.

Right now the Legislature is working through over 2,000 separate pieces of legislation covering a wide variety of topics. Already we have made strides to expand health care coverage and are taking steps to bring relief from the opioid crisis. Efforts are also under way to expand access to renewable energy, reduce student debt, fight and deal with the effects of climate change, repair our roads and bridges, increase protections for workers and consumers, get prescription drug costs under control, protect the independence of seniors and make sure we are caring for our neighbors with disabilities.

Lawmakers are also getting closer to balancing the state budget in a way that increases revenue sharing funds for all Maine towns and respects the mandate of the voters to properly fund public education.

This year I submitted or co-sponsored more than 50 bills, and, through them, my staff and I have worked to improve the quality of our oceans, take steps to prepare for and mitigate the effects of climate change, curb our unhealthy reliance on plastic bags and containers and protect our marine and natural resources-based economies. Several of these bills are in a strong position to pass at the time of this writing.

My bill to bring an intensive drug treatment court pilot project to our region is still in the works and could be especially helpful to veterans, the fishing community and others who have been especially hard-hit by the opiate crisis.

Whether we are dealing with the above issues or any other topic, our office is working hard to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please contact me or my aide if I can be of any help or if you want to discuss any legislation. My email is mick@mickdevin.org and my phone number is 975-3132. My State House office number is 287-1430.

Respectfully,
MICK DEVIN
State Representative
