Dear Board of Selectmen,

On behalf of Coastal Kids Preschool, I would like to express our sincere gratitude for your continued support of our mission. For 30 years, **Coastal Kids Preschool** has been part of the heartbeat of the Midcoast — helping children grow, learn, and thrive while allowing parents to work, teach, and serve our community. Every weekday, 80 families rely on us for safe, high-quality care for children ages 15 months to 8 years old. We are also proud to employ over 30 local staff members, providing meaningful work that supports families right here in our community.

At Coastal Kids, we're proud to be the workforce behind the workforce. When parents can go to work knowing their children are safe, cared for, and learning, the entire community benefits. Your partnership helps make that possible — for every child, every family, every day.

We know that these are challenging times for many families. Across our region, parents are facing impossible choices — balancing food, housing, heat, and childcare while trying to keep working and make ends meet. These pressures ripple through every part of our community, touching businesses, schools, and local services.

The financial support we received in 2025 from the Town of Damariscotta is greatly appreciated and directly benefited the 22 children from Damariscotta in our program this past year, as well as the parents and caregivers from throughout the Midcoast area who relied on our teachers and staff so that they could participate in the Damariscotta workforce daily. We respectfully request your continued support in the amount of **\$4,112.00** for the coming year. Your investment in Coastal Kids Preschool helps ensure that we can fulfill our mission to provide a nurturing, inclusive, and developmentally appropriate environment for all children in our community.

Your generous contribution directly supports:

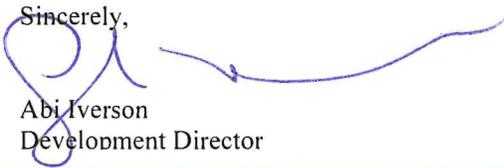

- **Scholarship assistance** so that every child, regardless of income, can access early education.
- **Teacher support and classroom materials** that keep learning joyful and high-quality.
- **Family support initiatives** such as our Nourish & Flourish Mini Pantry, emergency assistance fund, and community outreach efforts that help families weather difficult times.

Thank you once again for your ongoing support and consideration. We deeply appreciate your commitment to the children and families of those who live and work in Damariscotta, and we look forward to continuing our partnership.

Coastal Kids Preschool  
is a 501(c)(3) nonprofit  
organization, EIN 22-  
3126832, and an Equal  
Opportunity Employer.

Sincerely,

  
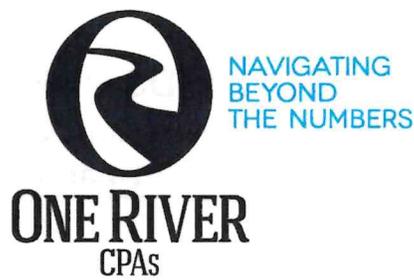

Abi Iverson  
Development Director

## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To Board of Directors and Management  
Coastal Kids Preschool  
Damariscotta, ME

We have reviewed the accompanying financial statements of Coastal Kids Preschool (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Accountants' Responsibility**

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Coastal Kids Preschool and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

### **Accountants' Conclusion**

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To Board of Directors and Management  
Coastal Kids Preschool  
Damariscotta, ME

We have reviewed the accompanying financial statements of Coastal Kids Preschool (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Accountants' Responsibility**

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Coastal Kids Preschool and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

### **Accountants' Conclusion**

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**COASTAL KIDS PRESCHOOL**  
**Notes to Financial Statements**  
**June 30, 2024 and 2023**

---

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

***Organization and Purpose***

Coastal Kids Preschool (the Organization) provides developmentally appropriate educational opportunities for Lincoln County preschool children and is accredited by the National Association for the Education of Young Children, a voluntary accreditation system that sets professional standards for early childhood education programs and helps families identify high quality programs for their children. Coastal Kids Preschool serves children that are one and one-half years old to seven years old through a language based, developmentally appropriate curriculum in an inclusive setting. Approximately one-third of the licensed spaces are allocated for children with special needs. The school is supported primarily through tuition, donor contributions, and grants.

***Basis of Presentation***

The financial statements of Coastal Kids Preschool have been prepared on an accrual basis in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

***Use of Estimates***

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

***Cash***

For purposes of the statements of financial position and the statements of cash flows, cash consists of cash on deposit with banks.

***Credit Risk***

The Organization maintains cash balances with banks that are members of the Federal Deposit Insurance Corporation (FDIC). At times, the Organization's cash balances may have exceeded FDIC insured limits. The Organization has not experienced any losses in these accounts, and management does not believe it is exposed to significant risk.

***Accounts Receivable***

Accounts Receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current and expected status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written-off through a charge to the valuation allowance and a credit to trade accounts receivable. Allowance for credit losses was \$0 at June 30, 2024 and 2023.

***Property and Equipment***

The Organization capitalizes property and equipment over \$1,000. Purchased property and equipment is capitalized at cost. The cost of depreciable property and equipment is depreciated using the straight-line method over the estimated useful lives ranging from five years for office equipment to forty years for buildings. Expenditures for maintenance, repairs, and minor renewals and betterments are expensed when incurred.

**June 30, 2024 and 2023**

---

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

***Net Assets***

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets are recognized as revenue when the assets are placed in service. Gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue at the time of acquisition of such long-lived assets. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

***Revenue and Revenue Recognition***

Revenue is recognized when earned. Tuition revenues come from contracts with customers. Tuition payments received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Tuition payments come from private pay customers, MaineCare and Maine Child Development Services (CDS). Billing occurs quarterly for MaineCare, bi-weekly for CDS, and monthly for private pay customers. Private pay customers' payments are generally due upon receipt, but a late charge will be incurred if received after the 15<sup>th</sup> of each month. Some customers can sign-up for weekly payments, whereby payment must be received by the first day of each week. During the year-ended June 30, 2024, the Organization changed procedures so that no services were provided to customers if they were a week behind on payments. The Organization does offer scholarships to low-income families that do not qualify for MaineCare. Once a scholarship application is submitted to the Organization and approved, the reduction in revenues is recorded.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

***Contributed Services***

Directors and officers have made a significant contribution of their time to develop the organization and its programs. No amounts have been recognized in the accompanying statements of activities because the criteria for recognition of such efforts under U.S. GAAP have not been satisfied.

***Functional Allocation of Expenses***

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
